Water Act

CONDITIONAL WATER LICENCE

The owners of the land to which this licence is appurtenant are hereby authorized to divert and use water as follows:

- a) The stream on which the rights are granted is Brenot Creek and unnamed creek (SO184011).
- b) The points of diversion are located as shown on the attached plan.
- c) The date from which this licence shall have precedence is June 23, 2010.
- d) The purpose for which this licence is issued is Industrial (stockwatering).
- e) The maximum quantity of water which may be diverted from both sources combined is 11.37 cubic metres per day. The maximum quantity of water which may be diverted per day is not to exceed 10% (percent) of current flow.
- f) The period of the year during which the water may be used is the whole year.
- g) The land upon which the water is to be used and to which this licence is appurtenant is South 1/2 of District Lot 802, Peace River.
- h) The authorized works are diversion structure, screened intake, pump, pipe tank and trough which shall be located approximately as shown on the attached plan.
- i) The construction of the said works shall be completed and the water shall be beneficially used prior to December 31, 2014. Thereafter, the licensee shall continue to make regular beneficial use of the water in the manner authorized herein.
- j) This licence does not authorize the diversion and use of water at any time where the stream (wetted) depth is less than 0.30 metres at the withdrawal location.
- k) No water will be diverted or removed from any beaver pond.

Robert M Piccini
Assistant Regional Water Manager
