## *Water Act*

### CONDITIONAL WATER LICENCE

The owners of the land to which this licence is appurtenant are hereby authorized to divert and use water as follows:

- a) The stream on which the rights are granted is Cheakamus River.
- b) The points of diversion and re-diversion are located as shown on the attached plan.
- c) The date from which this licence shall have precedence is January 5, 2011.
- d) The purpose for which this licence is issued is Industrial (fire protection).
- e) The maximum quantity of water which may be diverted Industrial (fire protection) is 900 cubic meters a day.
- f) The period of the year during which the water may be used is the whole year.
- g) The land upon which the water is to be used and to which this licence is appurtenant is District Lot 1243, Group 1, New Westminster District.
- h) The authorized works are diversion structure, screened intake, pipe and fire protection system which shall be located approximately as shown on the attached plan.
- i) The construction of the said works shall be completed and the water shall be beneficially used prior to December 31, 2014. Thereafter, the licensee shall continue to make regular beneficial use of the water in the manner authorized herein.
- j) Sufficient water must be maintained in Canoe Pond for the conservation water licence C069983.
- k) The diversion of water authorized under this licence may be restricted or prohibited at any time by an Order in writing of an Engineer under the Water Act, in order to maintain a minimum flow in the stream for the preservation of fish and other aquatic life.

Timothy Bennett, P.Eng.  
Assistant Regional Water Manager
