### CONDITIONAL WATER LICENCE

The owners of the land to which this licence is appurtenant are hereby authorized to divert and use water as follows:

- a) The stream on which the rights are granted is Wynndel Creek.
- b) The point of diversion is located as shown on the attached plan.
- c) The date from which this licence shall have precedence is April 9, 1914.
- d) The purpose for which this licence is issued is domestic (watering of garden).
- e) The maximum quantity of water which may be diverted is 2.273 cubic metres per day.
- f) The period of the year during which the water may be used is April 1 to September 30.
- g) The land upon which the water is to be used and to which this licence is appurtenant is Lots 2 and 3, District Lot 8645, Kootenay District, Plan 2112.
- h) The authorized works are diversion structure, division tank, pipe and sprinkler system which shall be located approximately as shown on the attached plan.
- i) The construction of the said works shall be completed and the water shall be beneficially used prior to December 31, 2015. Thereafter, the licensee shall continue to make regular beneficial use of the water in the manner authorized herein.
- j) This licence is issued pursuant to the provisions of the Water Act to ensure compliance with that statute, which makes it an offence to divert or use water from a stream in British Columbia without proper authorization. It is the responsibility of the licensee to ensure that all activities conducted under this authorization are carried out with regard to the rights of third parties, and comply with other applicable legislation that may be in force.
- k) All water diverted must pass through a division tank constructed to specifications set by an Engineer under the Water Act and maintained by the licensee.
- l) This Licence is issued in substitution of Conditional Water Licence 36433, in part.
