CONDITIONAL WATER LICENCE

The holders of the Crown Land tenure held under Lands file 4403997 to which this licence is appurtenant are hereby authorized to divert and use water as follows:

- a) The stream on which the rights are granted is Apex Creek.
- b) The point of diversion is located as shown on the attached plan.
- c) The date from which this licence shall have precedence is June 20, 2008.
- d) The purpose for which this licence is issued is Industrial (Enterprise).
- e) The maximum quantity of water which may be diverted is 45.46090 cubic metres per day.
- f) The period of the year during which the water may be used is the whole year.
- g) The land upon which the water is to be used and to which this licence is appurtenant is those parts of District Lots 1240 and 1241 together with District Lots 16956, 16957 and 16958 of Kootenay District comprising the Controlled Recreational Area held under Crown Lands Master Development Agreement on Lands file 4403997.
- h) The authorized works are diversion structure, tank and pipe which shall be located approximately as shown on the attached plan.
- i) The construction of the said works has been completed and the water is being used. The licensee shall continue to make regular beneficial use of the water in a manner authorized herein.
- j) This licence is issued pursuant to the provisions of the Water Act to ensure compliance with that statute, which makes it an offence to divert or use water from a stream in British Columbia without proper authorization. It is the responsibility of the licensee to ensure that all activities conducted under this authorization are carried out with regard to the rights of third parties, and comply with other applicable legislation that may be in force.
- k) This licence authorizes the use of water for industrial purpose in one lodge located approximately as shown on the attached plan.
