### CONDITIONAL WATER LICENCE

The owner of the land to which this licence is appurtenant is hereby authorized to divert and use water as follows:

- a) The stream on which the rights are granted is Santabin Lake.
- b) The point of diversion is located approximately as shown on the attached plan.
- c) The date from which this licence shall have precedence is 4th of October, 1947.
- d) The purpose for which this licence is issued is domestic.
- e) The maximum quantity of water which may be diverted and used is 4.54609 cubic meters per day of which 2.27304 will be used for domestic purposes and 2.27304 will be used for stock-watering.
- f) The period of the year during which the water may be used is the whole year.
- g) The land upon which the water is to be used and to which this licence is appurtenant is Northeast 1/4 Section 7 Township 22 Range 10 West of the 6th Meridian Kamloops Division Yale District except Plans 17841, H425, 42044, KAP82657, and EPP3317.
- h) The authorized works are intake, pump, pipe and pump house, which shall be located approximately as shown on the attached plan.
- i) The construction of the said works has been completed and the water is being used. The licensee shall continue to make regular beneficial use of the water in a manner authorized herein.
- j) This licence is issued in substitution of licence F014664.

- k) This licence is issued under the Water Act (the Act). The exercise of rights under the licence is subject to the Act and its regulations, the terms and conditions of the licence, orders under the Act and the rights of licensees whose rights have precedence on the stream. The licensee must comply with all such requirements, as well as the provisions of all other applicable enactments. In exercising rights under the licence, the licensee must exercise reasonable care to avoid damaging land, works, trees or other property, and must make full compensation to the owners for damage or loss resulting from construction, maintenance, use, operation or failure of the works.
