### CONDITIONAL WATER LICENCE

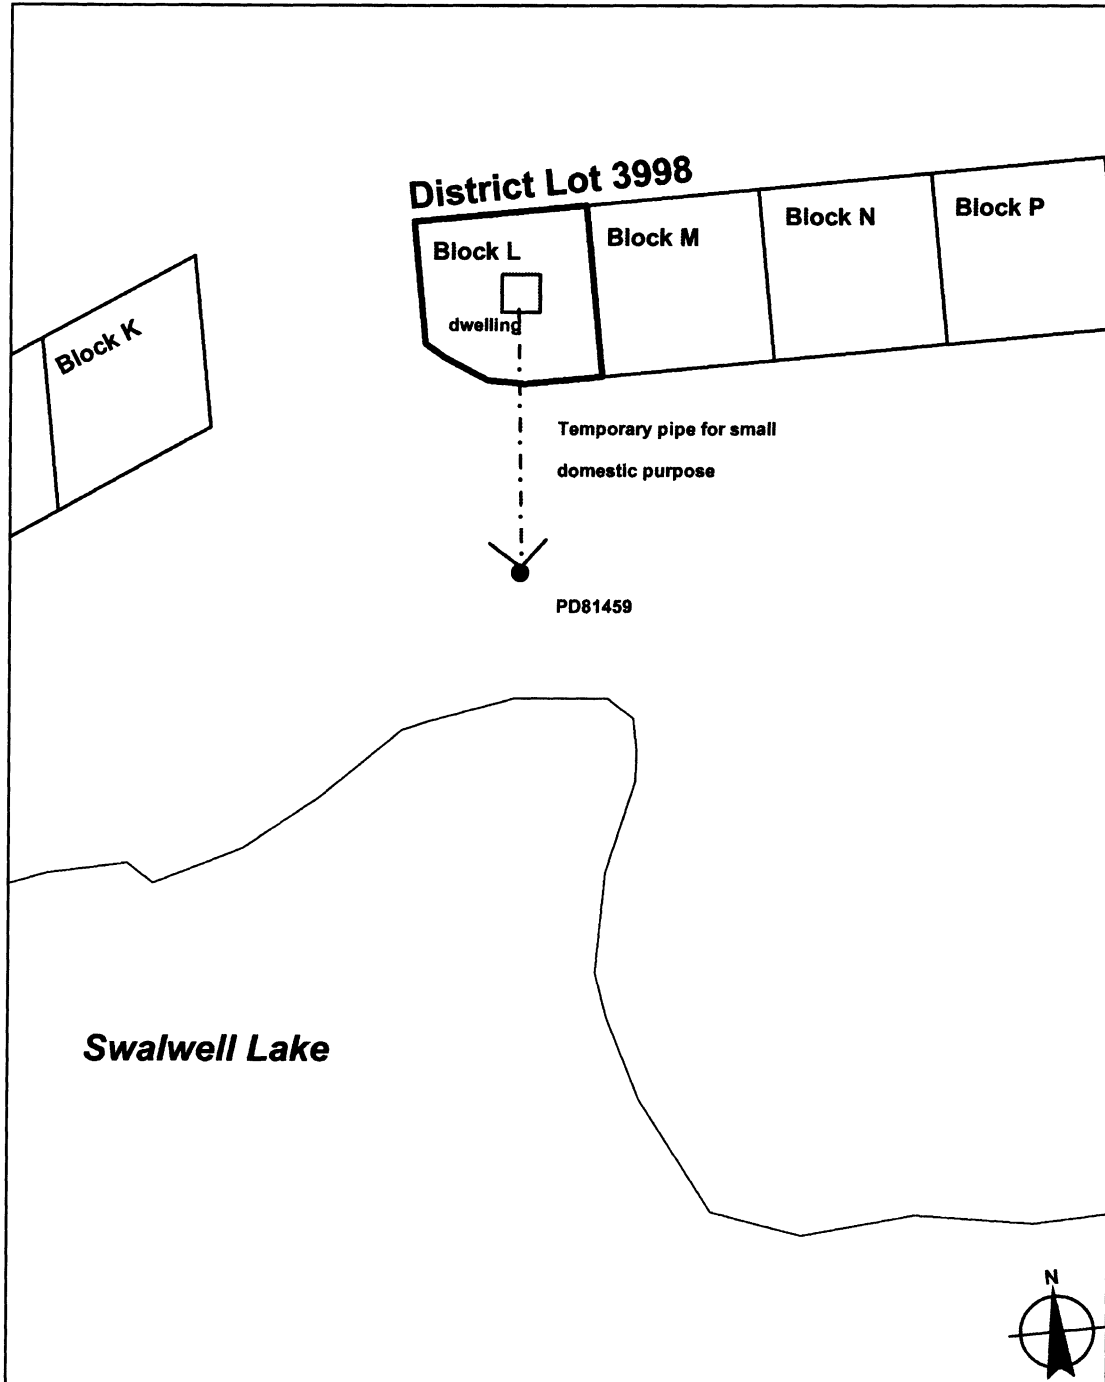

The holders of a lease held under Lands file 3400757 to which this licence is appurtenant are hereby authorized to divert and use water as follows:

- a) The stream on which the rights are granted is Swalwell Lake.
- b) The point of diversion is located as shown on the attached plan.
- c) The date from which this licence shall have precedence is January 18, 2008.
- d) The purpose for which this licence is issued is domestic.
- e) The maximum quantity of water which may be diverted is 0.68 cubic meters per day (150 GPD).
- f) The period of the year during which the water may be used is May 1 - October 31.
- g) The land upon which the water is to be used and to which this licence is appurtenant is Block L of District Lot 3998, Osoyoos Division Yale District - Lands File 3400757
- h) The authorized works are a pump, pipe, and screened intake which shall be located approximately as shown on the attached plan.
- i) The construction of the said works shall be completed and the water shall be beneficially used prior to December 31, 2015. Thereafter, the licensee shall continue to make regular beneficial use of the water in the manner authorized herein.
- j) This licence authorizes the use of water for domestic purpose in one dwelling located approximately as shown on the attached plan.
- k) This licence does not authorize the diversion and use of water at any time when the water level of Swalwell Lake falls below 30% of live storage volume. This equates to an elevation of 1342.9 meters (4405.8 feet).
- l) This licence terminates on February 2, 2018. Prior to the termination date, the licensee may apply to amend this licence to extend its term.

- m) The licence holder is required to install a flow metering device to record the volume of water diverted under this licence. You will be required to submit in writing to the Assistant Regional Water Manager a record of total annual water use (cubic meters per year) by November 30th of each calendar year.
  
- n) This licence is issued under the Water Act (the Act). The exercise of rights under the licence is subject to the Act and its regulations, the terms and conditions of the licence, orders under the Act and the rights of licensees whose rights have precedence on the stream. The licensee must comply with all such requirements, as well as the provisions of all other applicable enactments. In exercising rights under the licence, the licensee must exercise reasonable care to avoid damaging land, works, trees or other property, and must make full compensation to the owners for damage or loss resulting from construction, maintenance, use, operation or failure of the works.
