CONDITIONAL WATER LICENCE

The owner of the land to which this licence is appurtenant is hereby authorized to divert and use water as follows:

- a) The stream on which the rights are granted is Robbins Creek.
- b) The point of diversion is located as shown on the attached plan.
- c) The date from which this licence shall have precedence is 27th May, 1974.
- d) The purpose for which this licence is issued is irrigation.
- e) The maximum quantity of water which may be diverted is 37,004.46 cubic metres per annum (30 acre-feet per annum).
- f) The period of the year during which the water may be used is 1st April to 30th September.
- g) The land upon which the water is to be used and to which this licence is appurtenant is District Lot 706 Kamloops Division Yale District except Parcel A (Plan 4373D) and Plans KAP66668 and KAP85561 of which 4.86 hectares (12 acres) may be irrigated.
- h) The authorized works are diversion structure, pipe and sprinkler system which shall be located approximately as shown on the attached plan.
- i) The construction of the said works has been completed and the water is being used. The licensee shall continue to make regular beneficial use of the water in a manner authorized herein.
- j) This licence is issued under the Water Act (the Act). The exercise of rights under the licence is subject to the Act and its regulations, the terms and conditions of the licence, orders under the Act and the rights of licensees whose rights have precedence on the stream. The licensee must comply with all such requirements, as well as the provisions of all other applicable enactments. In exercising rights under the licence, the licensee must exercise reasonable care to avoid damaging land, works, trees or other property, and must make full compensation to the owners for damage or loss resulting from construction, maintenance, use, operation or failure of the works.

- k) The works authorized under clause (h) hereof shall be maintained and operated to the satisfaction of an Engineer under the Water Act.
- l) Any water diverted and used pursuant to this licence must be taken from storage provided in the reservoir authorized under Conditional Water Licence 129466 or any licence issued in substitution thereof.
- m) This Licence is issued in substitution of Conditional Water Licence 48555, in part.
