Water Act

CONDITIONAL WATER LICENCE

The owners of the land to which this licence is appurtenant are hereby authorized to divert and use water as follows:

- a) The stream on which the rights are granted is Cahilty Creek.
- b) The point of diversion is located as shown on the attached plan.
- c) The date from which this licence shall have precedence is 26th June, 1964.
- d) The purposes for which this licence is issued are irrigation, domestic and industrial (stock watering).
- e) The maximum quantity of water which may be diverted for irrigation purpose is 18,502.23 cubic metres per annum (15 acre-feet per annum) and the maximum quantity which may be diverted for domestic purpose is 2.27 cubic metres a day (500 gallons a day). The maximum quantity which may be diverted for industrial (stock watering) purpose is 4.55 cubic metres a day (1000 gallons a day).
- f) The period of the year during which the water may be used for irrigation purpose is 1st April to 30th September and for domestic and industrial (stock watering) purposes is the whole year.
- g) The land upon which the water is to be used and to which this licence is appurtenant is all that portion of the West 1/2 of Legal Subdivision 4 Section 15 Township 23 Range 15 West of the 6th Meridian Kamloops Division Yale District which lies South of the Southerly limit of District Lot 826 and all that portion of the East 1/2 of Legal Subdivision 4 Section 15 Township 23 Range 15 West of the 6th Meridian Kamloops Division Yale District which is not within District Lot 826 of which 3.04 hectares (7.5 acres) may be irrigated.
- h) The authorized works are screened intake, pipe, troughs and sprinkler system which shall be located approximately as shown on the attached plan.
- i) The construction of the said works has been completed and the water is being used. The licensee shall continue to make regular beneficial use of the water in a manner authorized herein.

- j) This licence is issued under the Water Act (the Act). The exercise of rights under the licence is subject to the Act and its regulations, the terms and conditions of the licence, orders under the Act and the rights of licensees whose rights have precedence on the stream. The licensee must comply with all such requirements, as well as the provisions of all other applicable enactments. In exercising rights under the licence, the licensee must exercise reasonable care to avoid damaging land, works, trees or other property, and must make full compensation to the owners for damage or loss resulting from construction, maintenance, use, operation or failure of the works.
- k) This licence authorizes the use of water for domestic purpose in one dwelling located approximately as shown on the attached plan.
- l) The industrial (stock watering) purpose authorized by this licence is for use outside the wetted perimeter of the source in a barn and troughs located approximately as shown on the attached plan.
- m) This Licence is issued in substitution of Conditional Water Licence 120839, in part.
