

ORDER UNDER THE WATER ACT
SECTION 18

File Number: 0368238

In the matter of:

Conditional Water Licence 130724, which authorizes the diversion of 2.27 m³ of water from White Creek for domestic purpose within Lot 3, Section 33, Township 21, Range 10, West of the 6th Meridian, Kamloops Division Yale District, Plan 22423.

Having determined that the location of the point of diversion (PD 185853) and works (screened intake, pump, and pipe) on the plan referenced in clauses (b) and (h) of the said licence dated August 28, 2013 were incorrect, and being satisfied that no person's rights will be injuriously affected, please find attached a revised plan. This plan shows the correct location of the works and the point of diversion.

Additionally, having determined that the period of use for the water of said licence is incorrect, and being satisfied that no person's rights will be injuriously affected I hereby amend clause (f) of the said licence to read as follows:

(f) The period of the year that the water may be used is the **whole year**.

Dated at Penticton, B.C. this 13th day of March, 2014
