

## Province of British Columbia *Water Act*

### CONDITIONAL WATER LICENCE

The owners of the land to which this licence is appurtenant are hereby authorized as follows:

- a) The stream on which the rights are granted is Cleet Creek, and storage is in a dugout.
- b) The point of diversion is located as shown on the attached plan.
- c) The date from which this licence shall have precedence is 1st August, 2007.
- d) The purposes for which this licence is issued are storage (non-power) and industrial (golf course watering).
- e) The maximum quantity of water which may be diverted into storage is a total of 21,000 cubic meters per annum. The maximum quantity of stored water which may be used for industrial (golf course irrigation) purpose is 21,000 cubic meters per annum, subject to the water being available from storage.
- f) The period of the year during which the water may be diverted and held in storage is the whole year, and the period of the year during which the water may be used for industrial (golf course watering) is 1st April to 31st October.
- g) The land upon which the water is to be used and to which this licence is appurtenant is within Lot A, District Lots 286, 471, 472 and 473 Plan VIP80031, except part in Plan VIP84561, Lot 1, District Lots 286 and 473, Plan VIP84561, Lot 2, District Lot 473, Plan VIP84561, Lot 3, District Lot 473, Plan VIP84561; all of Clayoquot District, of which 16.2 hectares may be irrigated.
- h) The authorized works are a dam, pump, pipes, dugout and golf course watering system, which shall be located approximately as shown on the attached plan.
- i) Construction of the said works shall be completed and the water shall be beneficially used prior to the 31st day of December, 2016.

- j) As Constructed Drawings of the works authorized by this licence must be prepared by a professional engineer registered in the Province of British Columbia and submitted to an Engineer under the Water Act within 60 days of the completion of construction. An Operation, Maintenance and Surveillance Manual must be submitted to the Dam Safety Officer during the first year of operation.
- k) This licence is issued in substitution of Conditional Water Licence C126166.
