Water Act

CONDITIONAL WATER LICENCE

The owner of the land to which this licence is appurtenant is hereby authorized to divert and use water as follows:

- a) The stream on which the rights are granted is Lone Tree Creek.
- b) The points of diversion are located as shown on the attached plan.
- c) The date from which this licence shall have precedence is 27th April, 1865.
- d) The purposes for which this licence is issued are industrial (stock watering) and irrigation.
- e) The maximum quantity of water which may be diverted for industrial (stock watering) purpose is 4.55 cubic metres per day (1000 gallons per day) and for irrigation purpose is 177,202.0 cubic metres per annum (143.66 acre-feet per annum).
- f) The period of the year during which the water may be used for industrial (stock watering) purpose is the whole year and for irrigation purpose is 1st April to 30th September.
- g) The land upon which the water is to be used and to which this licence is appurtenant is District Lot 19 Kamloops (formerly Lytton) Division Yale District except Plans 3139 and H10392 of which 23.25 hectares (57.46 acres) may be irrigated.
- h) The authorized works are diversion structures, ditch, pipe and trough which shall be located approximately as shown on the attached plan.
- i) The construction of the said works has been completed and the water is being used. The licensee shall continue to make regular beneficial use of the water in a manner authorized herein.
- j) This licence is issued under the Water Act (the Act). The exercise of rights under the licence is subject to the Act and its regulations, the terms and conditions of the licence, orders under the Act and the rights of licensees whose rights have precedence on the stream. The licensee must comply with all such requirements, as well as the provisions of all other applicable enactments. In exercising rights under the licence, the licensee must exercise reasonable care to avoid damaging land, works, trees or other property, and must make full compensation to the owners for damage or loss resulting from construction, maintenance,

use, operation or failure of the works.

- k) The industrial stock watering purpose authorized by this licence is for use outside the wetted perimeter of the source in a trough located approximately as shown on the attached plan.
- l) This Licence is issued in substitution of Conditional Water Licence 122011.
