

Province of British Columbia *Water Act*

CONDITIONAL WATER LICENCE

The City of Kamloops is hereby authorized to divert and use water as follows:

- a) The stream on which the rights are granted is David Spring.
- b) The point of diversion is located as shown on the attached plan.
- c) The date from which this licence shall have precedence is 19th May, 1971.
- d) The purpose for which this licence is issued is conservation.
- e) The maximum quantity of water which may be diverted is 0.00005 cubic metres per second (0.00186 cubic feet per second).
- f) The period of the year during which the water may be used is the whole year.
- g) The land upon which the water is to be used and to which this licence is appurtenant is Block B Section 33 Township 19 Range 16 West of the 6th Meridian Kamloops Division Yale District except Plan KAP48965.
- h) The authorized works are ponds which shall be located approximately as shown on the attached plan.
- i) The construction of the said works shall be completed and the water shall be beneficially used prior to December 31, 2016. Thereafter, the licensee shall continue to make regular beneficial use of the water in the manner authorized herein.
- j) This licence is issued under the Water Act (the Act). The exercise of rights under the licence is subject to the Act and its regulations, the terms and conditions of the licence, orders under the Act and the rights of licensees whose rights have precedence on the stream. The licensee must comply with all such requirements, as well as the provisions of all other applicable enactments. In exercising rights under the licence, the licensee must exercise reasonable care to avoid damaging land, works, trees or other property, and must make full compensation to the owners for damage or loss resulting from construction, maintenance, use, operation or failure of the works.

k) This Licence is issued in substitution of Conditional Water Licence 41511.
