

Province of British Columbia *Water Act*

CONDITIONAL WATER LICENCE

The owners of the land to which this licence is appurtenant are hereby authorized to store, divert and use water as follows:

- a) The stream on which the rights are granted is Hoggan Creek and storage is in Hoggan Lake.
- b) The point of diversion on Hoggan Creek, denoted by PD30377 and the reservoir being Hoggan Lake are located as shown on the attached plan.
- c) The date from which this licence shall have precedence is May 15, 1985.
- d) The purposes for which this licence is issued is power (general) and storage. The power is to be generated with the Hoggan Creek Generating Station.
- e) The maximum quantity of water which may be diverted for power (general) purpose is 0.368 cubic metres per second and the maximum quantity of water which may be held in storage is 148,000 cubic metres per year.
- f) The period of the year during which the water may be held in storage and used is the whole year.
- g) The land upon which the water is to be used and to which the licence is appurtenant is the land on which the powerhouse of the Hoggan Creek Generating Station is situated, described as the parcel of land with a legal description of Lot 2, of District Lot 467, Nanaimo District, and of Section 11, Gabriola Island, Nanaimo District, Plan VIP57010.
- h) The works authorized for the Hoggan Creek Generating Station are:
 1. dam;
 2. diversion structure;
 3. penstock;
 4. a powerhouse; and
 5. transmission line from powerhouse to the BC Hydro Power Grid, which shall be located approximately as shown on the attached plans.
- i) The construction of the said works has been completed and the water is being used. The licensee shall continue to make regular beneficial use of the water in a manner authorized herein.

- j) The rights granted under this licence may be deemed to be subsequent to any rights granted under any licence or licences that may be issued at any time for the consumptive use of water.
- k) The dam authorized under clause (h) is subject to the Dam Safety Regulations and shall be designed, constructed and maintained to the satisfaction of a Dam Safety Officer under the *Water Act* and in accordance with the Canadian Dam Association Guidelines.
- l) This licence is issued in substitution of Conditional Water Licences C063922 and C063923.
