CONDITIONAL WATER LICENCE

The owners of the land to which this licence is appurtenant are hereby authorized to divert and use water as follows:

- a) The stream on which the rights are granted is Jura Spring.
- b) The point of diversion is located as shown on the attached plan.
- c) The date from which this licence shall have precedence is July 24, 2002.
- d) The purpose for which this licence is issued is industrial (stock watering) and domestic purpose in one dwelling located approximately as shown on the attached plan.
- e) The maximum quantity of water which may be diverted is 2.275 cubic meters per day for domestic use and 2.275 cubic meters for industrial (stock watering) use.
- f) The period of the year during which the water may be used is the whole year.
- g) The land upon which the water is to be used and to which this licence is appurtenant is Lot 1, District Lot 1402, Kamloops Division Yale District, Plan KAP75215.
- h) The authorized works are diversion structure, pipe, trough and tank which shall be located approximately as shown on the attached plan.
- i) The construction of the said works has been completed and the water is being used. The licensee shall continue to make regular beneficial use of the water in a manner authorized herein.
- j) The works authorized under clause (h) hereof shall be maintained to the satisfaction of an Engineer under the *Water Act*.
- k) The industrial (stock watering) purpose authorized by this licence is for use outside the wetted perimeter of the source in a trough located approximately as shown on the attached plan.
- l) This licence is issued under the *Water Act* (the Act). The exercise of rights under the licence is subject to the Act and its regulations, the terms and conditions of the licence,

orders under the Act and the rights of licensees whose rights have precedence on the stream. The licensee must comply with all such requirements, as well as the provisions of all other applicable enactments. In exercising rights under the licence, the licensee must exercise reasonable care to avoid damaging land, works, trees or other property, and must make full compensation to the owners for damage or loss resulting from construction, maintenance, use, operation or failure of the works.

m) This Licence is issued in substitution of C128729.
