

Province of British Columbia

Water Act

CONDITIONAL WATER LICENCE

The owner of the land to which this licence is appurtenant is hereby authorized to store, divert and use water as follows:

- a) The stream on which the rights are granted is Link River and storage is in a reservoir on Link Lake.
- b) The point of diversion on Link River is denoted by PD40100 and the reservoir being Link Lake are located as shown on the attached plan.
- c) The date from which this licence shall have precedence is August 12, 2013.
- d) The purposes for which this licence is issued is storage and power (general). The power is to be generated with the Link River Generating Station.
- e) The maximum quantity of water which may be diverted into storage is 64,058,000 cubic metres per year and the maximum quantity of stored water which may be diverted for power (general) purpose is 11.84 cubic metres per second.
- f) The period of the year during which water may be diverted into storage, and the period of the year in which the stored water may be diverted for power (general) purpose is the whole year.
- g) The land upon which the water is to be used and to which the licence is appurtenant is the land on which the powerhouse of the Link River Generating Station is situated, described as Lot A, District Lots 31, 104 and 283A, Range 3, Coast District, Plan 43994.
- h) The authorized works are dam, reservoir, intake, spillway, penstock, powerhouse, tailrace, switchyard and transmission line which shall be located approximately as shown on the attached plan.
- i) The construction of the said works has been completed and the water is being used. The licensee shall continue to make regular beneficial use of the water in a manner authorized herein.
- j) The dam authorized under clause (h) is subject to the Dam Safety Regulations and shall be designed, constructed and maintained to the satisfaction of a Dam Safety Officer under the *Water Act* and in accordance with the Canadian Dam Association Guidelines.
- k) The term of this licence is 40 (forty) years from the date of issuance of this licence.
