Province of British Columbia
Water Act

CONDITIONAL WATER LICENCE

The holder of a Licence of Occupation held under Crown Lands file 2410743 to which this licence is appurtenant is hereby authorized to divert and use water as follows:

a) The stream on which the rights are granted is Finley Creek.

b) The point of diversion is located as shown on the attached plan.

c) The date from which this licence shall have precedence is January 18, 2013.

d) The purposes for which this licence is issued is camps and stockwatering (horses).

e) The maximum quantity of water which may be diverted camps purpose is 1.63659 cubic meters (360 gallons) a day and the maximum quantity which may be used for stockwatering purpose is 0.40914 cubic meters (90 gallons) a day.

f) The period of the year during which the water may be used for camps and stockwatering is April 1 to October 31.

g) The land upon which the water is to be used and to which this licence is appurtenant is that parcel or tract of land in the vicinity of Tenquille Creek, held under Crown Land File 2410743.

h) The authorized works are screened intake, pipe, pump and trough which shall be located approximately as shown on the attached plan.

i) The construction of the said works shall be completed and the water shall be beneficially used prior to December 31, 2017. Thereafter, the licensee shall continue to make regular beneficial use of the water in the manner authorized herein.

j) The licensee shall submit to the Regional Water Manager, a Beneficial Use Declaration and a drawing prepared to the water licence application drawing standards showing the point of diversion, area of beneficial use, all associated works, and the legal boundaries of the appurtenant land, on or before December 31, 2017.

k) This licence authorizes the use of water for camp purpose in one building (cookhouse) located approximately as shown on the attached plan.

Remko Rosenboom, M.Sc., A.Ag.
Assistant Regional Water Manager
