### **CONDITIONAL WATER LICENCE**

The Watch Lake-North Green Lake Volunteer Fire Department Society is hereby authorized to divert and use water as follows:

- a) The stream on which the rights are granted is Green Lake.
- b) The points of diversion are located as shown on the attached plan.
- c) The date from which this licence shall have precedence is 9th September, 2013.
- d) The purpose for which this licence is issued is industrial (fire protection).
- e) The maximum quantity of water which may be diverted is 1 cubic metre per day.
- f) The period of the year during which the water may be used is the whole year.
- g) The land upon which the water is to be used and to which this licence is appurtenant is the fire protection area of the Watch Lake-North Green Lake Volunteer Fire Department Society.
- h) The authorized works are screened intakes, pipe and hydrants which shall be located approximately as shown on the attached plan.
- i) The construction of the said works shall be completed and the water shall be beneficially used prior to December 31, 2017. Thereafter, the licensee shall continue to make regular beneficial use of the water in the manner authorized herein.

- j) This licence is issued under the Water Act (the Act). The exercise of rights under the licence is subject to the Act and its regulations, the terms and conditions of the licence, orders under the Act and the rights of licensees whose rights have precedence on the stream. The licensee must comply with all such requirements, as well as the provisions of all other applicable enactments. In exercising rights under the licence, the licensee must exercise reasonable care to avoid damaging land, works, trees or other property, and must make full compensation to the owners for damage or loss resulting from construction, maintenance, use, operation or failure of the works.
