Water Act

CONDITIONAL WATER LICENCE

The owner(s) of the land to which this licence is appurtenant are hereby authorized to divert and use water as follows:

- a) The stream on which the rights are granted is Lemieux Creek.
- b) The point of diversion is located as shown on the attached plan.
- c) The date from which this licence shall have precedence is 28th August, 1930.
- d) The purpose(s) for which this licence is issued are domestic and residential (lawn/garden watering)
- e) The maximum quantity of water which may be diverted for domestic is 2.27305 cubic metres (500 gallons) per day and the maximum quantity which may be used for residential (lawn/garden watering) is 3083.705 cubic metres (2.5 acre feet) per annum.
- f) The period of the year during which the water may be used for domestic is the Whole year and for residential (lawn/garden watering) is April 1 to September 30.
- g) The land upon which the water is to be used and to which this licence is appurtenant is Lot 5A District Lot 1658 Kamloops Division Yale District Plan 1154 except the easterly 1/2 acre being the easterly 100 feet frontage on the public road measured along the southern most corner of said lot by the full depth thereof of which 0.405 hectares may be watered.
- h) The authorized works are diversion structure, pipe and sprinklers which shall be located approximately as shown on the attached plan.
- i) The construction of the said works has been completed and the water is being used. The licensee shall continue to make regular beneficial use of the water in a manner authorized herein.

- j) This licence is issued under the Water Act (the Act). The exercise of rights under the licence is subject to the Act and its regulations, the terms and conditions of the licence, orders under the Act and the rights of licensees whose rights have precedence on the stream. The licensee must comply with all such requirements, as well as the provisions of all other applicable enactments. In exercising rights under the licence, the licensee must exercise reasonable care to avoid damaging land, works, trees or other property, and must make full compensation to the owners for damage or loss resulting from construction, maintenance, use, operation or failure of the works.
- k) This licence authorizes the use of water for domestic purpose in (1) one dwelling located approximately as shown on the attached plan.
- l) This Licence is issued in substitution of Final Water Licence 9121, in part.
