Water Act

CONDITIONAL WATER LICENCE

The owners of the land to which this licence is appurtenant are hereby authorized to divert and use water as follows:

- a) The stream on which the rights are granted is Muddy Lake.
- b) The point of diversion is located as shown on the attached plan.
- c) The date from which this licence shall have precedence is 12th November, 2003.
- d) The purpose for which this licence is issued is irrigation.
- e) The maximum quantity of water which may be diverted is 12,334.82 cubic metres per annum (10 acre-feet per annum), provided the maximum instantaneous rate of withdrawal does not exceed 0.1 cubic metres per minute (18.9 imperial gallons per minute).
- f) The period of the year during which the water may be used is 1st April to 30th September.
- g) The land upon which the water is to be used and to which this licence is appurtenant is Strata Lot 1 District Lots 1313, 1314, 1459 and 1460 Lillooet District Strata Plan EPS174 of which 4.05 hectares (10 acres) may be irrigated.
- h) The authorized works are screened intake, pump, pipe and sprinkler system which shall be located approximately as shown on the attached plan.
- i) The construction of the said works has been completed and the water is being used. The licensee shall continue to make regular beneficial use of the water in a manner authorized herein.
- j) This licence is issued under the Water Act (the Act). The exercise of rights under the licence is subject to the Act and its regulations, the terms and conditions of the licence, orders under the Act and the rights of licensees whose rights have precedence on the stream. The licensee must comply with all such requirements, as well as the provisions of all other applicable enactments. In exercising rights under the licence, the licensee must exercise reasonable care to avoid damaging land, works, trees or other property, and must make full compensation to the owners for damage or loss resulting from construction, maintenance, use, operation or failure of the works.

- k) Provision shall be made for incorporation of a flow measuring device suitable to an Engineer under the Water Act in the works at the source.
- l) This Licence is issued in substitution of Conditional Water Licence 118969.
