Water Act

CONDITIONAL WATER LICENCE

The owner(s) of the land to which this licence is appurtenant are hereby authorized to divert and use water as follows:

- a) The stream on which the rights are granted is North Thompson River.
- b) The point of diversion is located as shown on the attached plan.
- c) The date from which this licence shall have precedence is 8th August, 2012.
- d) The purpose for which this licence is issued is irrigation.
- e) The maximum quantity of water which may be diverted for irrigation is 37,004.46 cubic metres (30 acre feet) per annum.
- f) The period of the year during which the water may be used is April 1 to September 30.
- g) The land upon which the water is to be used and to which this licence is appurtenant is that part of District Lot 2949 lying south of a line produced due east from the north east corner of District Lot 2948 and District Lot 2950 except Plan H8322 all lying north of Plan H8322 Kamloops Division Yale District of which 12.141 hectares (30 acres) may be irrigated.
- h) The authorized works are screened intake, pump and pipe which shall be located approximately as shown on the attached plan.
- i) The construction of the said works has been completed and the water is being used. The licensee shall continue to make regular beneficial use of the water in a manner authorized herein.

- j) This licence is issued under the Water Act (the Act). The exercise of rights under the licence is subject to the Act and its regulations, the terms and conditions of the licence, orders under the Act and the rights of licensees whose rights have precedence on the stream. The licensee must comply with all such requirements, as well as the provisions of all other applicable enactments. In exercising rights under the licence, the licensee must exercise reasonable care to avoid damaging land, works, trees or other property, and must make full compensation to the owners for damage or loss resulting from construction, maintenance, use, operation or failure of the works.
