## *Water Sustainability Act*

### CONDITIONAL WATER LICENCE

The owner of the land to which this licence is appurtenant is hereby authorized to divert and use water as follows:

- a) The stream on which the rights are granted is Shuttleworth Creek.
- b) The point of diversion is located as shown on the attached plan.
- c) The date from which this licence shall have precedence is 15th September 1893.
- d) The purposes for which this licence is issued are irrigation and domestic.
- e) The maximum quantity of water which may be diverted for irrigation purpose is 32,100 cubic metres (26.0 acre feet) per annum and the maximum quantity which may be used for domestic purpose is 2.27 cubic metres per day.
- f) The period of the year during which the water may be used for irrigation purpose is 1st April to 30th September, and for domestic purpose is the whole year.
- g) The land upon which the water is to be used and to which this licence is appurtenant is Lot 2 District Lot 466 Similkameen Division Yale District Plan KAP54103, of which 4.2 hectares may be irrigated.
- h) The authorized works are intake, ditch, cistern, pump and pipe which shall be located approximately as shown on the attached plan.
- i) The construction of the said works has been completed and the water is being used. The licensee shall continue to make regular beneficial use of the water in a manner authorized herein.
- j) This licence authorizes the use of water for domestic purpose in a single dwelling located approximately as shown on the attached plan.
- k) The diversion of water authorized under this licence may be restricted or prohibited at any time by an Order in writing under the *Water Sustainability Act*, in order to maintain a minimum flow in a stream for the preservation of fish or for maintaining the health of aquatic ecosystems.

- l) This licence is issued under the *Water Sustainability Act* (the Act). The exercise of rights under the licence is subject to the Act and its regulations, the terms and conditions of the licence, orders under the Act and the rights of licensees whose rights have precedence on the stream or on an aquifer. The licensee must comply with all such requirements, as well as the provisions of all other applicable enactments. In exercising rights under the licence, the licensee must exercise reasonable care to avoid damaging land, works, trees or other property, and must make full compensation to the owners for damage or loss resulting from construction, maintenance, use, operation or failure of the works.
- m) This Licence is issued in substitution of Conditional Water Licence Number 60418, in part.
