

Province of British Columbia

Water Act

CONDITIONAL WATER LICENCE

The owners of the land to which this licence is appurtenant are hereby authorized to divert and use water as follows:

- a) The stream on which the rights are granted is Ferris Creek.
- b) The point of diversion is located as shown on the attached plan.
- c) The date from which this licence shall have precedence is August 19, 2002.
- d) The purpose for which this licence is issued is residential power generation.
- e) The maximum quantity of water which may be diverted under this licence is 0.33 cubic metres per minute (12 cubic feet per minute), subject to the following:
The licensee shall maintain in Ferris Creek, measured immediately downstream of the point of diversion:
 1. a minimum flow of 0.045 cubic metres per minute (10 imperial gallons per minute) ; or
 2. a minimum flow as ordered by the Regional Water Manager.
- f) The period of the year during which the water may be used is the whole year.
- g) The land upon which the water is to be used is the South West $\frac{1}{4}$ of Section 7, Township 18, Range 11, West of the Sixth Meridian, Kamloops Division Yale District, Except Plans 31781, KAP 80973, KAP83184 and EPP30567, on which a powerhouse is situated, and the land to which the licence is appurtenant is said land.
- h) The authorized works are diversion structure, pipe, powerhouse, private transmission line and tailrace which shall be located approximately as shown on the attached plan.
- i) The construction of the said works has been completed and the water is being used. The licensee shall continue to make regular beneficial use of the water in a manner authorized herein.

- j) This licence is issued under the Water Act (the Act). The exercise of rights under the licence is subject to the Act and its regulations, the terms and conditions of the licence, orders under the Act and the rights of licensees whose rights have precedence on the stream. The licensee must comply with all such requirements, as well as the provisions of all other applicable enactments. In exercising rights under the licence, the licensee must exercise reasonable care to avoid damaging land, works, trees or other property, and must make full compensation to the owners for damage or loss resulting from construction, maintenance, use, operation or failure of the works.
- k) This Licence is issued in substitution of Conditional Water Licence 117524.
- l) The power generation pursuant to this licence may be supplied to two dwellings as shown on the attached plan.

Conrad J. Pryce, P.Eng.
Assistant Regional Water Manager
