

Province of British Columbia

Water Act

CONDITIONAL WATER LICENCE

The owners of the land to which this licence is appurtenant are hereby authorized to divert and use water as follows:

- a) The stream on which the rights are granted is Ferris Creek.
- b) The point of diversion is located as shown on the attached plan.
- c) The date from which this licence shall have precedence is October 12, 2004.
- d) The purposes for which this licence is issued is domestic use and industrial (stockwatering).
- e) The maximum quantity of water which may be diverted for domestic use is 1.14 cubic metres per day, and the maximum quantity of water which may be diverted for industrial (stockwatering) is 0.91 cubic metres per day.
- f) The period of the year during which the water may be used for domestic use is May 1st to October 31st and for industrial (stockwatering) is the whole year.
- g) The land upon which the water is to be used and to which this licence is appurtenant is the South West $\frac{1}{4}$ of Section 7, Township 18, Range 11, West of the 6th Meridian, Kamloops Division Yale District, except Plans 31781, KAP80973, KAP83184 and EPP30567.
- h) The authorized works are diversion structure, pipe, and troughs which shall be located approximately as shown on the attached plan.
- i) The construction of the said works has been completed and the water is being used. The licensee shall continue to make regular beneficial use of the water in a manner authorized herein.

- j) This licence is issued under the Water Act (the Act). The exercise of rights under the licence is subject to the Act and its regulations, the terms and conditions of the licence, orders under the Act and the rights of licensees whose rights have precedence on the stream. The licensee must comply with all such requirements, as well as the provisions of all other applicable enactments. In exercising rights under the licence, the licensee must exercise reasonable care to avoid damaging land, works, trees or other property, and must make full compensation to the owners for damage or loss resulting from construction, maintenance, use, operation or failure of the works.
- k) The industrial stockwatering purpose authorized by this licence is for use outside the wetted perimeter of the source in a trough located approximately as shown on the attached plan.
- l) This licence authorizes the use of water for domestic purpose in one seasonal cabin located approximately as shown on the attached plan.
- m) This Licence is issued in substitution of Conditional Water Licence 121398.
