

Province of British Columbia

Water Act

CONDITIONAL WATER LICENCE

The owners of the land to which this licence is appurtenant are hereby authorized to divert and use water as follows:

- a) The stream on which the rights are granted is Shuswap River.
- b) The point of diversion is located as shown on the attached plan.
- c) The date from which this licence shall have precedence is 20th April, 2014.
- d) The purpose for which this licence is issued is irrigation.
- e) The maximum quantity of water which may be diverted for irrigation purpose is 75,000 cubic metres per year (61 acre feet).
- f) The period of the year during which the water may be used is 1st April to 30th September.
- g) The land upon which the water is to be used and to which this licence is appurtenant is that Part of the West 1/2 of Section 24, Township 18, Range 8, West of the 6th Meridian, Kamloops Division Yale District which lies to the South of the Spallumcheen River as Shown on a Plan of Survey of said Township Dated at Ottawa on the 27th of September, 1890 Containing by Admeasurement 130 Acres More or Less, of which 25 hectares (61 acres) may be irrigated.
- h) The authorized works are surface-mounted pump, pipe and sprinkler system, which involve no ground disturbance, and which shall be located approximately as shown on the attached plan.
- i) The construction of the said works shall be completed and the water shall be beneficially used prior to December 31, 2017. Thereafter, the licensee shall continue to make regular beneficial use of the water in the manner authorized herein.
- j) The diversion of water authorized under this licence may be restricted or prohibited at any time by an Order in writing of an Engineer under the Water Act, in order to maintain a minimum flow in the stream.

- k) This licence is issued under the Water Act (the Act). The exercise of rights under the licence is subject to the Act and its regulations, the terms and conditions of the licence, orders under the Act and the rights of licensees whose rights have precedence on the stream. The licensee must comply with all such requirements, as well as the provisions of all other applicable enactments. In exercising rights under the licence, the licensee must exercise reasonable care to avoid damaging land, works, trees or other property, and must make full compensation to the owners for damage or loss resulting from construction, maintenance, use, operation or failure of the works.
