

Province of British Columbia

Water Act

CONDITIONAL WATER LICENCE

The owners of the land to which this licence is appurtenant are hereby authorized to divert and use water as follows:

- a) The stream on which the rights are granted is DeeDee Spring.
- b) The point of diversion is located as shown on the attached plan.
- c) The date from which this licence shall have precedence is December 6, 2010.
- d) The purpose for which this licence is issued is industrial (stock watering) and domestic purpose.
- e) The maximum quantity of water which may be diverted is 2.27 cubic meters per day for domestic use and 2.27 cubic meters for industrial (stock watering) use.
- f) The period of the year during which the water may be used is the whole year.
- g) The land upon which the water is to be used and to which this licence is appurtenant is that part of the North West 1/4 of Section 18 which is not contained within the limits of District Lot 511; Township 17 Range 13 West of the 6th Meridian Kamloops Division Yale District except Plan 22279.
- h) The authorized works are vertical culvert, pipe, standpipe, tanks, troughs, pond, hydrants and diversion structure which shall be located approximately as shown on the attached plan.
- i) The construction of the said works has been completed and the water is being used. The licensee shall continue to make regular beneficial use of the water in a manner authorized herein.
- j) This licence authorizes the use of water for domestic purpose in two dwellings (house and shop) located approximately as shown on the attached plan.

- k) This licence is issued under the Water Act (the Act). The exercise of rights under the licence is subject to the Act and its regulations, the terms and conditions of the licence, orders under the Act and the rights of licensees whose rights have precedence on the stream. The licensee must comply with all such requirements, as well as the provisions of all other applicable enactments. In exercising rights under the licence, the licensee must exercise reasonable care to avoid damaging land, works, trees or other property, and must make full compensation to the owners for damage or loss resulting from construction, maintenance, use, operation or failure of the works.
