CONDITIONAL WATER LICENCE

The owner(s) of the land to which this licence is appurtenant is/are hereby authorized to divert and use water as follows:

- a) The stream on which the rights are granted is Jones Creek.
- b) The points of diversion are located as shown on the attached plan.
- c) The date from which this licence shall have precedence is January 28, 1965.
- d) The purpose for which this licence is issued is irrigation.
- e) The maximum quantity of water which may be diverted for irrigation is 187,280.78 cubic metres (151.83 acre feet) per annum.
- f) The period of the year during which the water may be used is from April 1st to September 30th.
- g) The land upon which the water is to be used and to which this licence is appurtenant is District Lot 19, except Plans A123 and 5568, lying East of the San Jose River, Cariboo District of which 30.72 hectares (75.9 acres) may be irrigated.
- h) The authorized works are ditch, pump, pipe and sprinkler system which shall be located approximately as shown on the attached plan.
- i) The construction of the said works has been completed and the water is being used. The licensee shall continue to make regular beneficial use of the water in a manner authorized herein.
- j) This licence is issued under the Water Act (the Act). The exercise of rights under the licence is subject to the Act and its regulations, the terms and conditions of the licence, orders under the Act and the rights of licensees whose rights have precedence on the stream. The licensee must comply with all such requirements, as well as the provisions of all other applicable enactments. In exercising rights under the licence, the licensee must exercise reasonable care to avoid damaging land, works, trees or other property, and must make full compensation to the owners for damage or loss resulting from construction, maintenance, use, operation or failure of the works.

k) This Licence is issued in substitution of Conditional Water Licence No. 123640, in part.
