### **WATER LICENCE**

The Ministry of Forests, Lands and Natural Resource Operations is hereby authorized to divert and use water as follows:

- a) The stream on which the rights are granted is Johnstone Creek.
- b) The point of diversion is located as shown on the attached plan.
- c) The date from which this licence shall have precedence is 24<sup>th</sup> June, 2014.
- d) The purpose for which this licence is issued is stockwatering.
- e) The maximum quantity of water which may be diverted is 11.5 cubic meters per day.
- f) The period of the year during which the water may be used is 1<sup>st</sup> May to 31<sup>st</sup> October.
- g) The land upon which the water is to be used and to which this licence is appurtenant is the stockwatering project of the licensee within District Lot 229, Similkameen Division Yale District except Block A shown on Plan B3224, Block C and Plan EPP32360.
- h) The authorized works are intake, pump, pipe and trough which shall be located approximately as shown on the attached plan.
- i) The construction of the said works shall be completed and the water shall be beneficially used prior to December 31st 2017. Thereafter, the licensee shall continue to make regular beneficial use of the water in the manner authorized herein.

- j) This licence is issued under the Water Act (the Act). The exercise of rights under the licence is subject to the Act and its regulations, the terms and conditions of the licence, orders under the Act and the rights of licensees whose rights have precedence on the stream. The licensee must comply with all such requirements, as well as the provisions of all other applicable enactments. In exercising rights under the licence, the licensee must exercise reasonable care to avoid damaging land, works, trees or other property, and must make full compensation to the owners for damage or loss resulting from construction, maintenance, use, operation or failure of the works.
