### CONDITIONAL WATER LICENCE

The Regional District of Central Okanagan is hereby authorized to divert and use water as follows:

- a) The stream on which the rights are granted is Mission Creek.
- b) The point of diversion is located as shown on the attached plan.
- c) The date from which this licence shall have precedence is July 9, 2014.
- d) The purpose for which this licence is issued is waterworks.
- e) The maximum quantity of water which may be diverted is 45,625 cubic metres per year provided the maximum daily diversion does not exceed 250 cubic metres.
- f) The period of the year during which the water may be used is the whole year.
- g) The land upon which the water is to be used and to which this licence is appurtenant is all the lands within the boundaries of the Falcon Ridge Water System.
- h) The authorized works are diversion structure, pump house, shallow well, and pipe, which shall be located approximately as shown on the attached plan.
- i) The construction of the said works shall be completed and the water shall be beneficially used prior to 31st December, 2018. Thereafter, the licensee shall continue to make regular beneficial use of the water in the manner authorized herein.
- j) The diversion of water authorized under this licence may be restricted or prohibited at any time by an Order in writing of an Engineer under the Water Act, in order to maintain a minimum flow in the stream.
- k) This licensee shall keep records on actual water use as directed by an Engineer under the Water Act and have all records available.

- l) The licensee must adhere to the document entitled "Black Mountain Irrigation District - Regional District of Central Okanagan Falcon Ridge Raw Water Supply Agreement". The licensee's diversions from Mission Creek between July 1 and November 15 of each year will be fully complemented by storage releases from the upstream reservoir system operated by the Black Mountain Irrigation District.
  
- m) This licence is issued under the Water Act (the Act). The exercise of rights under the licence is subject to the Act and its regulations, the terms and conditions of the licence, orders under the Act and the rights of licensees whose rights have precedence on the stream. The licensee must comply with all such requirements, as well as the provisions of all other applicable enactments. In exercising rights under the licence, the licensee must exercise reasonable care to avoid damaging land, works, trees or other property, and must make full compensation to the owners for damage or loss resulting from construction, maintenance, use, operation or failure of the works.
