## *Water Act*

### CONDITIONAL WATER LICENCE

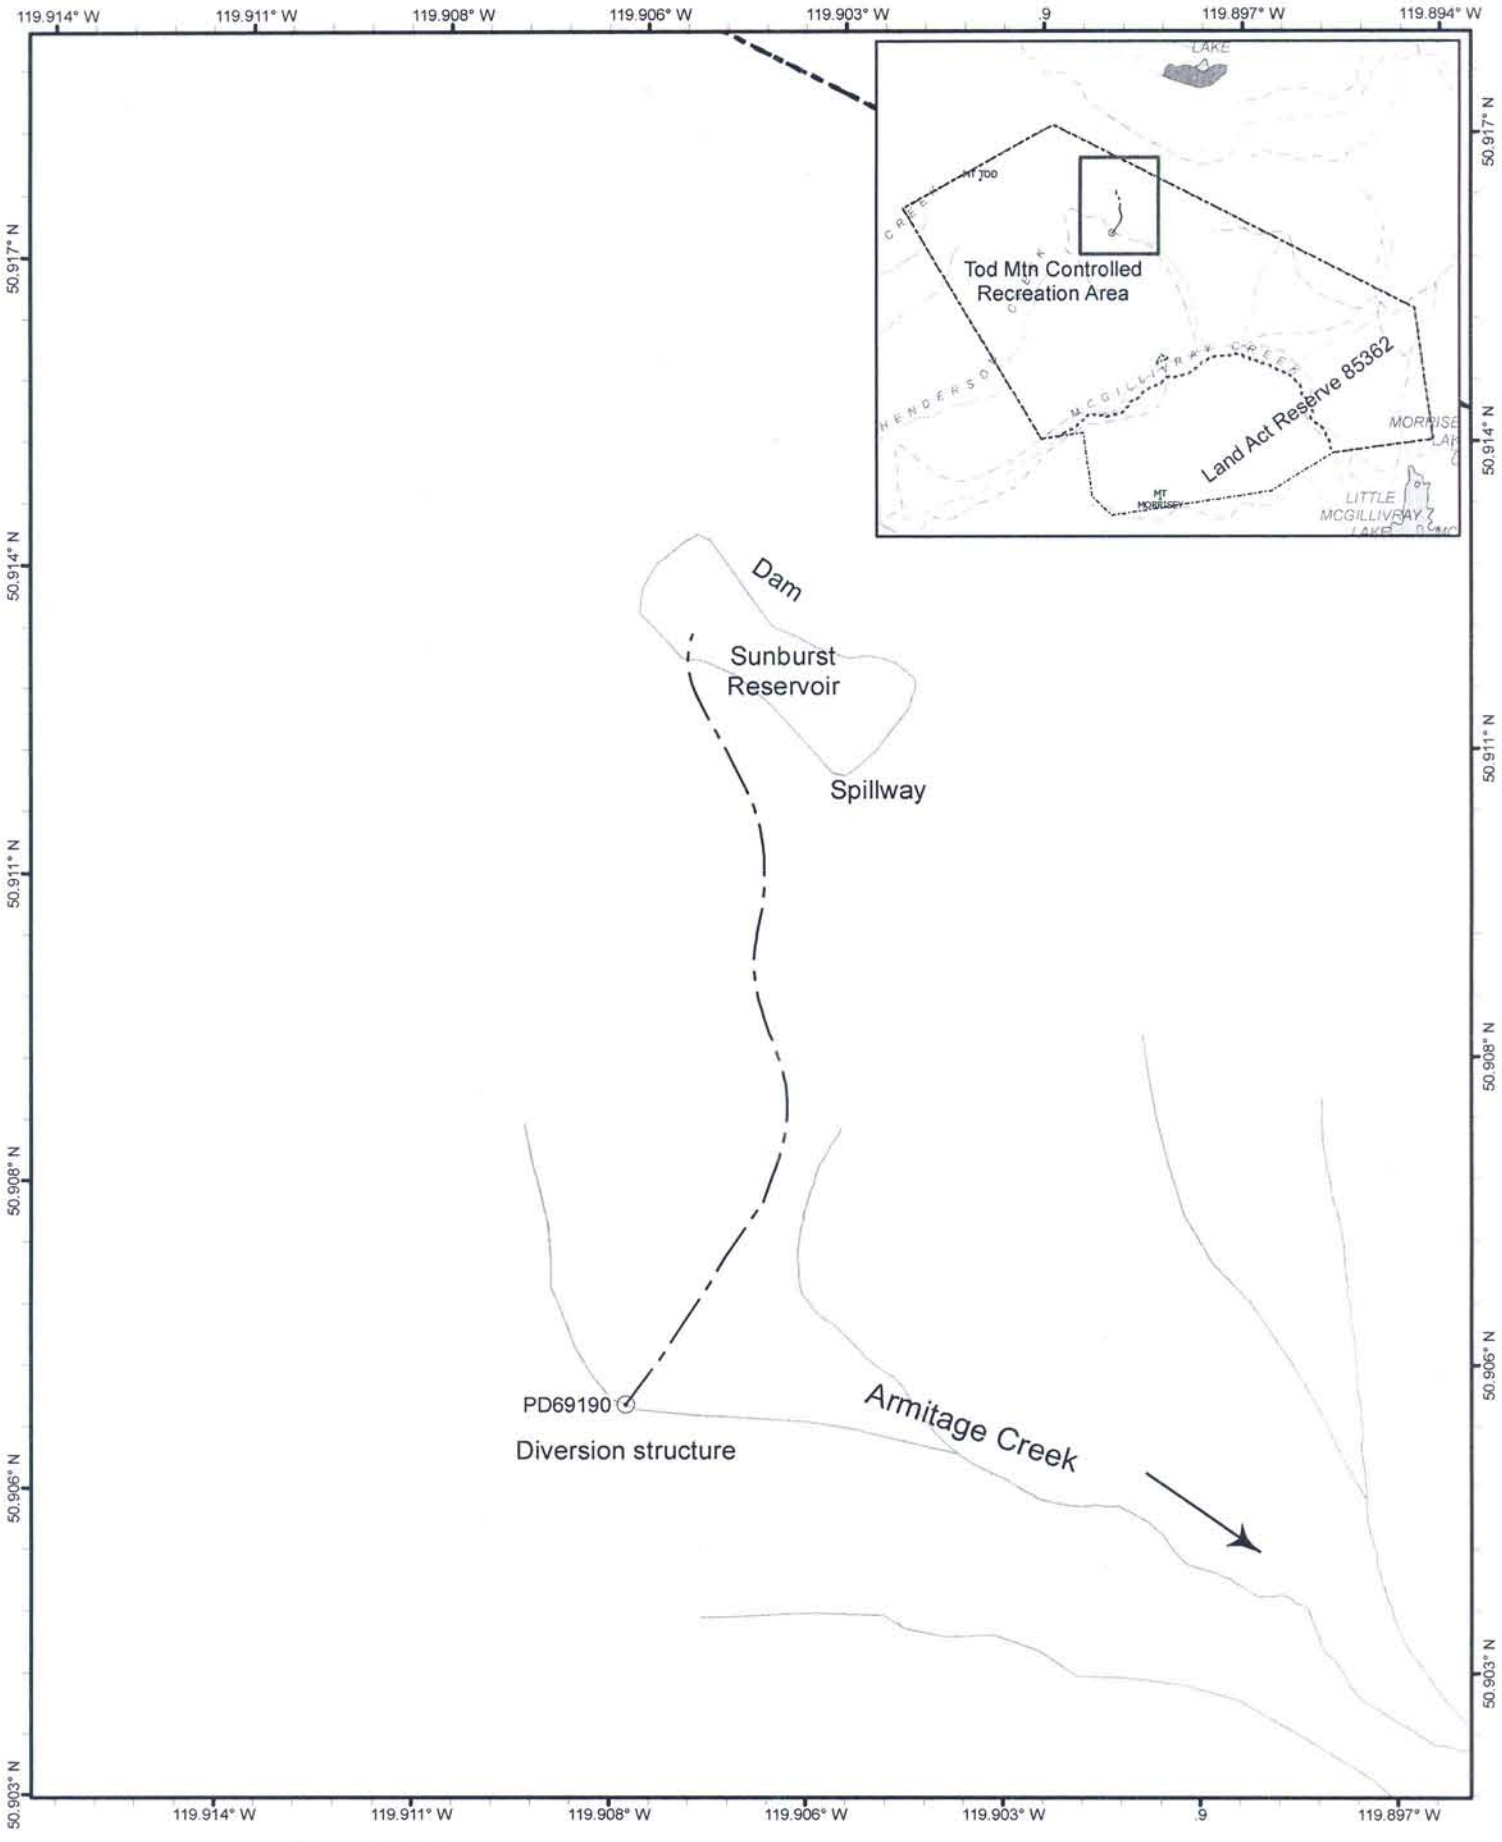

The holders of a Crown Land tenure within Land Act file 3400073 covering the land to which this licence is appurtenant are hereby authorized to divert and store water as follows:

- a) The stream on which the rights are granted is Armitage (Five Mile) Creek and storage is in the Sunburst Reservoir.
- b) The storage site and the point of diversion are located as shown on the attached plan.
- c) The date from which this licence shall have precedence is April 11, 1994.
- d) The purpose for which this licence is issued is storage, with the stored water to be used as set out in Conditional Licence C131505, or any licence issued in substitution thereof.
- e) The maximum quantity of water which may be diverted to fill the reservoir is 113,562.35352 cubic metres (92.0 acre feet).
- f) The period of the year during which water may be diverted into storage is April 1 to June 30.
- g) The land upon which the water is to be used and to which this licence is set out in Conditional Licence C131505, or any licence issued in substitution thereof.
- h) The authorized works are a diversion structure, dam, spillway, reservoir and pipe which shall be located approximately as shown on the attached plan.
- i) The construction of the said works has been completed and the water is being used. The licensee shall continue to make regular beneficial use of the water in a manner authorized herein.
- j) This licence is issued under the Water Act (the Act). The exercise of rights under the licence is subject to the Act and its regulations, the terms and conditions of the licence, orders under the Act and the rights of licensees whose rights have precedence on the stream. The licensee must comply with all such requirements, as well as the provisions of all other applicable enactments. In exercising rights under the licence, the licensee must exercise reasonable care to avoid damaging land, works, trees or other property, and must make full compensation to the owners for damage or loss resulting from construction, maintenance, use, operation or failure of the works.

- k) The dam authorized under clause (h) is subject to the Dam Safety Regulations and shall be designed, constructed and maintained to the satisfaction of a Dam Safety Officer under the Water Act and in accordance with the Canadian Dam Association Guidelines.
- l) This Licence is issued in substitution of C120237, in part.
