Water Act

CONDITIONAL WATER LICENCE

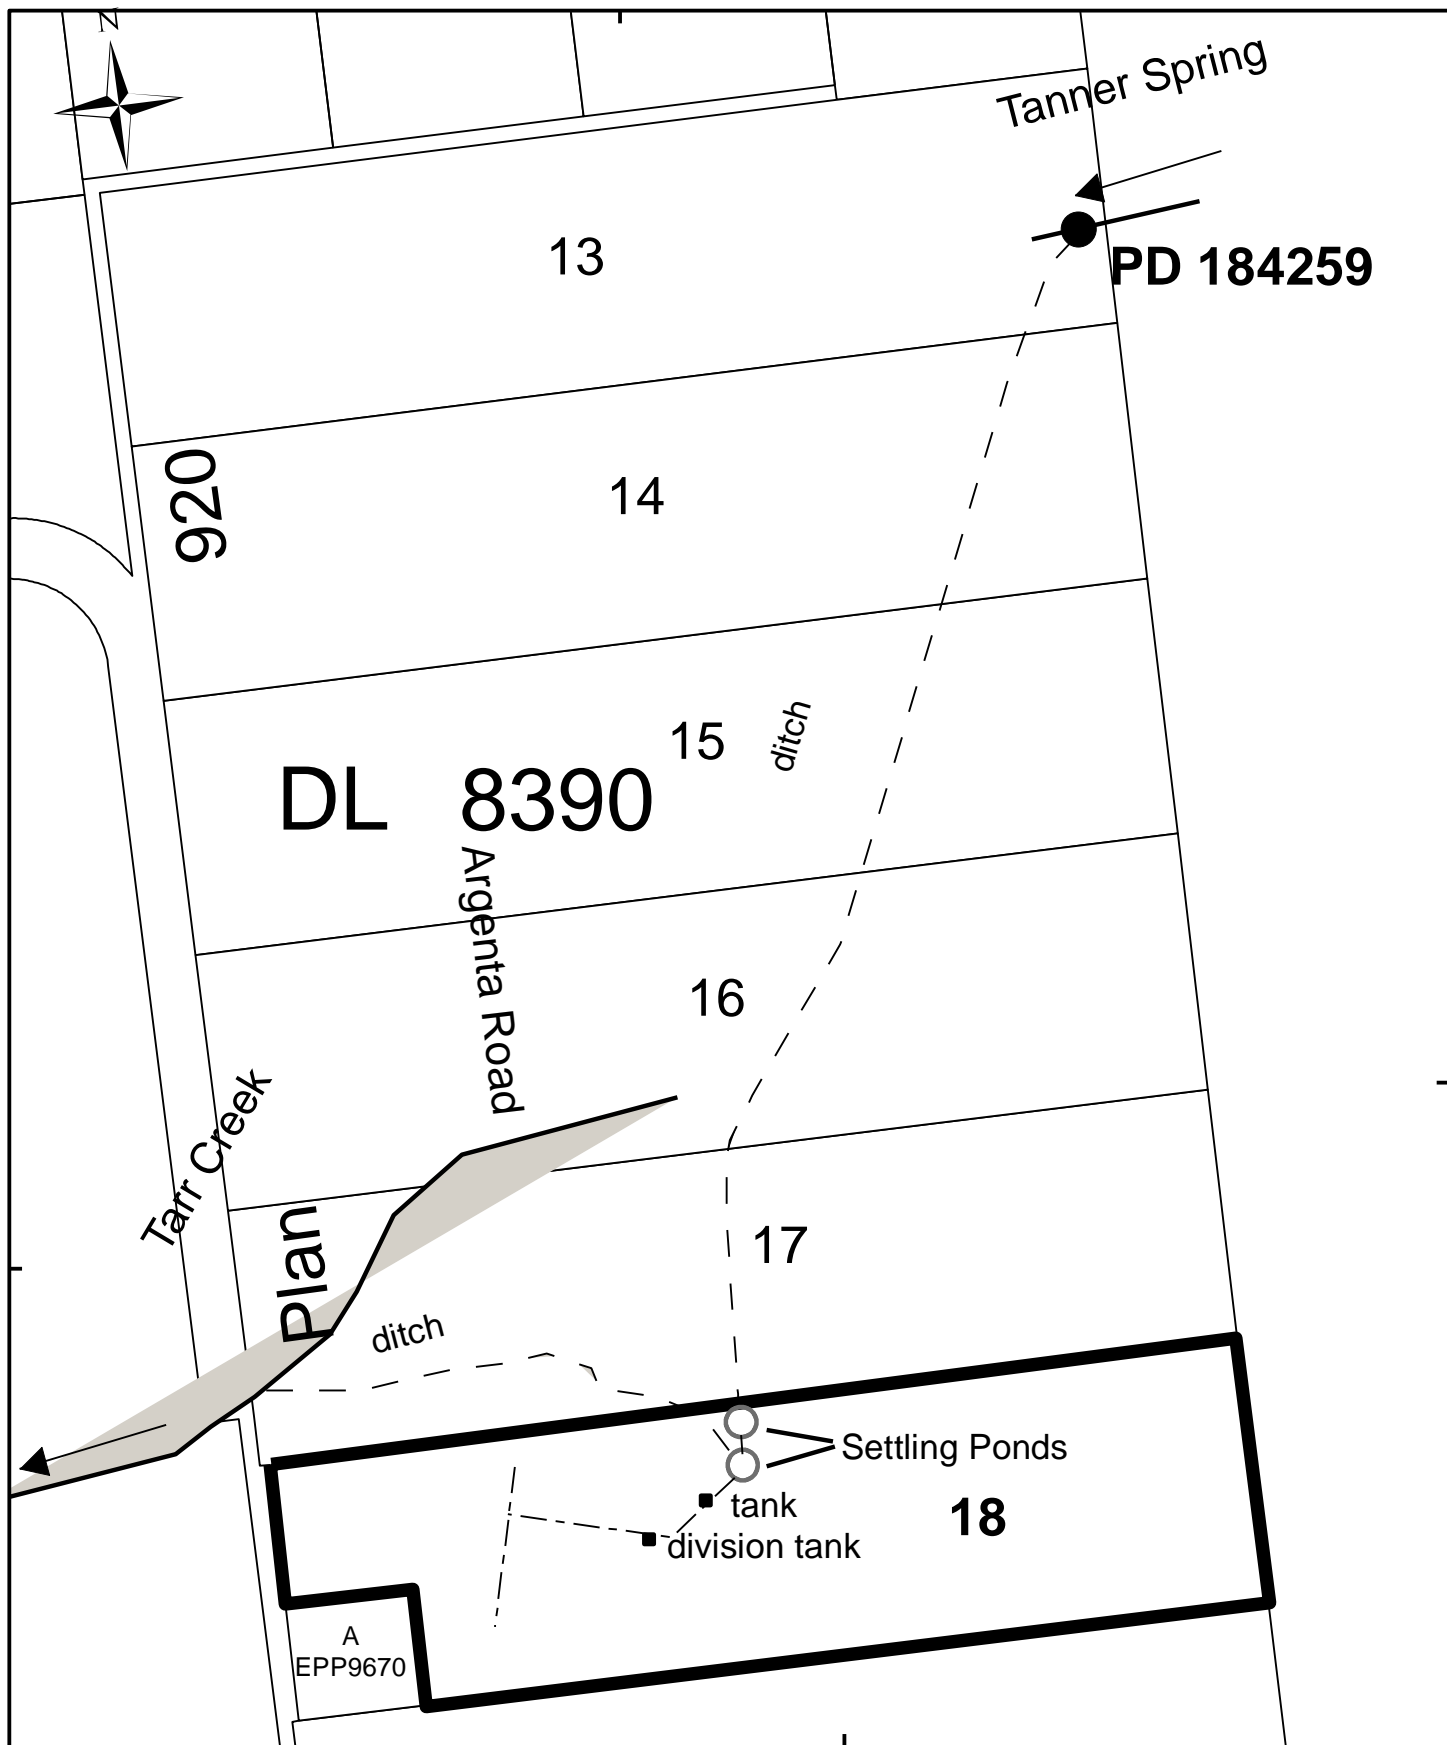

The owner of the land to which this licence is appurtenant is hereby authorized to divert and use water as follows:

- a) The stream on which the rights are granted is Tanner Spring.
- b) The point of diversion is located as shown on the attached plan.
- c) The date from which this licence shall have precedence is October 29, 1974.
- d) The purpose for which this licence is issued is irrigation.
- e) The maximum quantity of water which may be diverted for irrigation purpose is 3,854.6 cubic metres per year.
- f) The period of the year during which the water may be used for irrigation purpose is April 1 to September 15.
- g) The land upon which the water is to be used and to which this licence is appurtenant is Lot 18, District Lot 8390, Kootenay District, Plan 920, except Plan EPP9670 of which 1.01 hectares may be irrigated.
- h) The authorized works are diversion structure, ditch, settling ponds, tank, division tank, pipe and irrigation system which shall be located approximately as shown on the attached plan.
- i) The construction of the said works has been completed and the water is being used. The licensee shall continue to make regular beneficial use of the water in a manner authorized herein.
- j) This licence is issued under the Water Act (the Act). The exercise of rights under the licence is subject to the Act and its regulations, the terms and conditions of the licence, orders under the Act and the rights of licensees whose rights have precedence on the stream. The licensee must comply with all such requirements, as well as the provisions of all other applicable enactments. In exercising rights under the licence, the licensee must exercise reasonable care to avoid damaging land, works, trees or other property, and must make full compensation to the owners for damage or loss resulting from construction, maintenance, use, operation or failure of the works.

k) This licence is issued in substitution of Conditional Water Licence 126499, in part.
