

Province of British Columbia

Water Act

CONDITIONAL WATER LICENCE

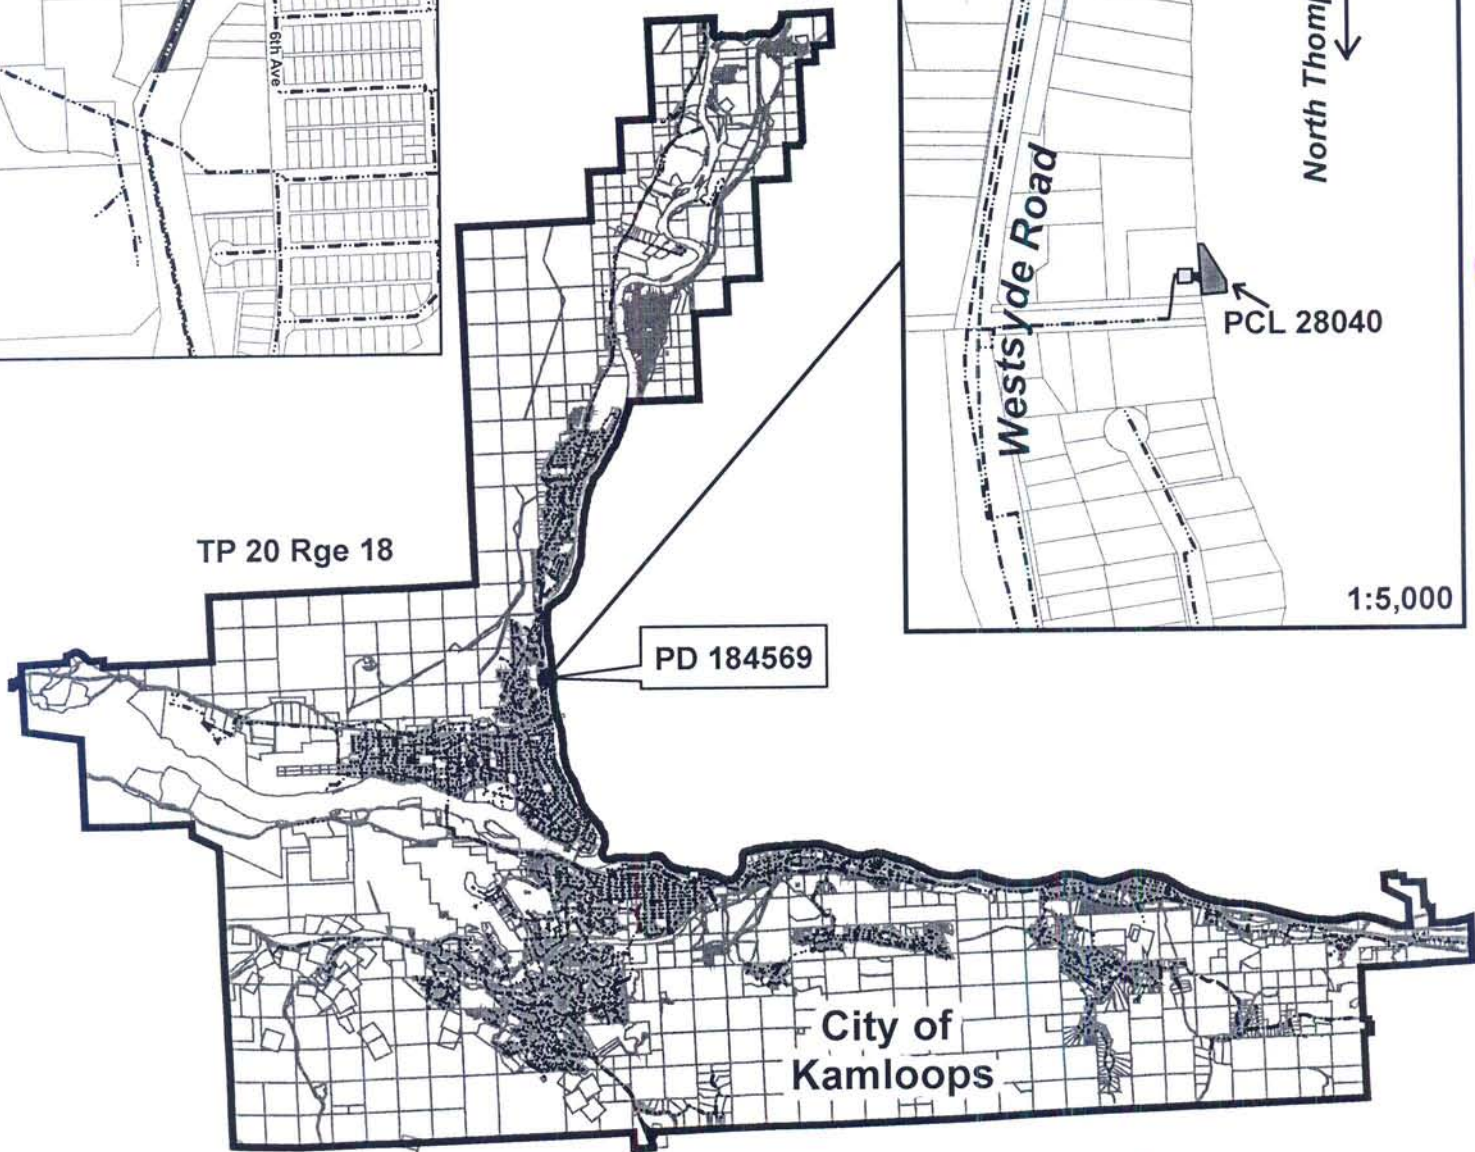

The City of Kamloops is hereby authorized to divert and use water as follows:

- a) The stream on which the rights are granted is North Thompson River.
- b) The point of diversion is located as shown on the attached plan.
- c) The date from which this licence shall have precedence is 21 March 2012.
- d) The purpose for which this licence is issued is waterworks.
- e) The maximum quantity of water which may be diverted is 11,615,260 cubic metres per year.
- f) The period of the year during which the water may be used is the whole year.
- g) The land to which this licence is appurtenant is the undertaking of the licensee serving all the lands within the boundaries of the City of Kamloops
- h) The authorized works are diversion structure, screened intake, pumps, pipes, reservoirs, booster pumps, distribution system and treatment plant, which shall be located approximately as shown on the attached plan.
- i) The construction of the new works has not been initiated and the water is not being used from this point of diversion. The licensee shall design and install works prior to 31 December 2017. Thereafter the licensee is required to make regular beneficial use of the water in a manner authorized herein.
- j) This licence is supplementary, in part, to Water Licence C127152 (and any licence issued in substitution thereof) on the South Thompson River. At no time shall there be simultaneous water diversion under authority of C127152, and this licence, except for system maintenance purposes.

- k) This licence is issued under the Water Act (the Act). The exercise of rights under the licence is subject to the Act and its regulations, the terms and conditions of the licence, orders under the Act and the rights of licensees whose rights have precedence on the stream. The licensee must comply with all such requirements, as well as the provisions of all other applicable enactments. In exercising rights under the licence, the licensee must exercise reasonable care to avoid damaging land, works, trees or other property, and must make full compensation to the owners for damage or loss resulting from construction, maintenance, use, operation or failure of the works.
