Water Act

CONDITIONAL WATER LICENCE

The owner(s) of the land to which this licence is appurtenant is/are hereby authorized to divert and use water as follows:

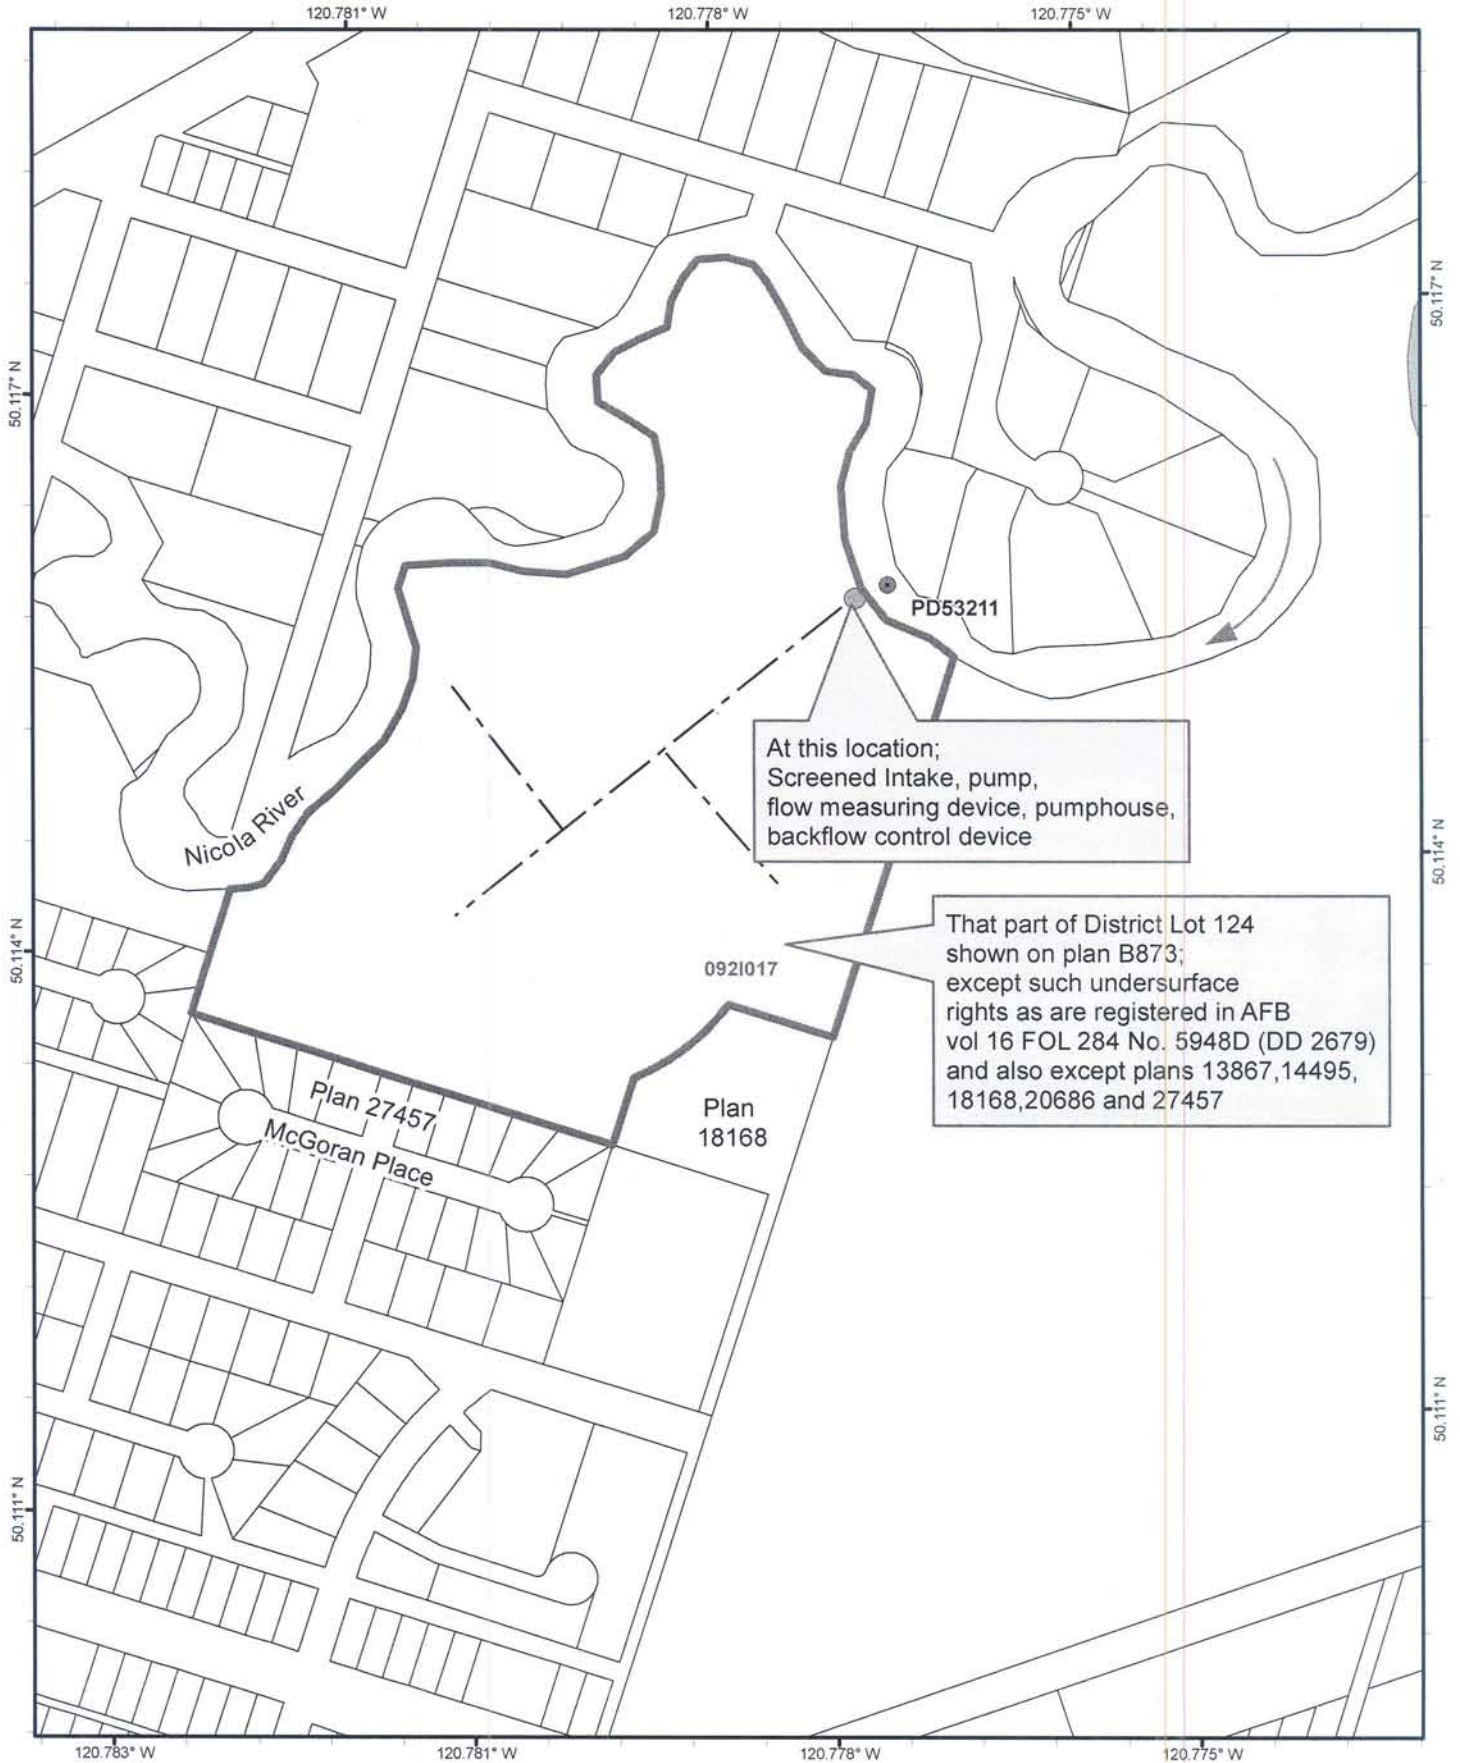

- a) The stream on which the rights are granted is Nicola River.
- b) The point of diversion is located as shown on the attached plan.
- c) The date from which this licence shall have precedence is December 19th, 1966.
- d) The purpose for which this licence is issued is irrigation.
- e) The maximum quantity of water which may be diverted is 49,377.7984 cubic meters (40 acre feet) per year.
- f) The period of the year during which the water may be used is April 1 to September 30.
- g) The land upon which the water is to be used and to which this licence is appurtenant is that part of District Lot 124 shown on Plan B873; Kamloops Division Yale District except such undersurface rights as are registered in AFB Vol 16 Fol 284 No. 5948D (DD 2679) and also except Plans 13867, 14495, 18168, 20686 and 27457 of which 6.47497 hectares (16 acres) may be irrigated.
- h) The authorized works are a screened intake, pump, flow measuring device, backflow control device (if connected to any public water system), pumphouse, pipe and sprinklers which shall be located approximately as shown on the attached plan.
- i) The construction of the said works shall be completed and the water shall be beneficially used prior to December 31, 2015. Thereafter, the licensee shall continue to make regular beneficial use of the water in the manner authorized herein.
- j) This licence is issued under the Water Act (the Act). The exercise of rights under the licence is subject to the Act and its regulations, the terms and conditions of the licence, orders under the Act and the rights of licensees whose rights have precedence on the stream. The licensee must comply with all such requirements, as well as the provisions of all other applicable enactments. In exercising rights under the licence, the licensee must exercise reasonable care to avoid damaging land, works, trees or other property, and must

make full compensation to the owners for damage or loss resulting from construction, maintenance, use, operation or failure of the works.

- k) This licence does not authorize an interconnection to any public water system without the use of a device to prevent backflow and the written permission from the supplier.
- l) The licensee shall install a flow measuring device to the satisfaction of an Engineer under the Water Act.
- m) The licensee shall retain flow meter records for inspection upon request by an Engineer under the Water Act.
- n) This Licence is issued in substitution of Conditional Water Licence 037181, in part.
