

# Province of British Columbia

## *Water Act*

### CONDITIONAL WATER LICENCE

The Missezula Lake Waterworks District is hereby authorized to divert and use water as follows:

- a) The stream on which the rights are granted is Missezula Lake.
- b) The points of diversion are located as shown on the attached plan.
- c) The date from which this licence shall have precedence is December 29, 2010.
- d) The purpose for which this licence is issued is waterworks.
- e) The maximum quantity of water which may be diverted for waterworks is 93,165.71451 cubic metres per year.
- f) The period of the year during which the water may be used is the whole year.
- g) The land upon which the water is to be used and to which this licence is appurtenant is all the lands within the boundaries of Missezula Lake Waterworks District.
- h) The authorized works are diversion structure, screened intake, pump and flow measuring device which shall be located approximately as shown on the attached plan.
- i) The construction of the said works has been completed and the water is being used. The licensee shall continue to make regular beneficial use of the water in a manner authorized herein.
- j) This licence is issued under the *Water Act* (the Act). The exercise of rights under the licence is subject to the Act and its regulations, the terms and conditions of the licence, orders under the Act and the rights of licensees whose rights have precedence on the stream. The licensee must comply with all such requirements, as well as the provisions of all other applicable enactments. In exercising rights under the licence, the licensee must exercise reasonable care to avoid damaging land, works, trees or other property, and must make full compensation to the owners for damage or loss resulting from construction, maintenance, use, operation or failure of the works.

- k) The licensee shall install a flow measuring device to the satisfaction of an Engineer under the *Water Act*.
- l) The licensee shall retain flow meter records for inspection upon request by an Engineer under the *Water Act*.
- m) Any water diverted and used pursuant to this licence must be taken from storage provided in the reservoir authorized under Conditional Water Licence C111484 or any licence issued in substitution thereof.
- n) The works authorized under clause (h) hereof shall be maintained to the satisfaction of an Engineer under the *Water Act*.
- o) The diversion of water authorized under this licence may be restricted or prohibited at any time by an Order in writing of an Engineer under the *Water Act*, in order to maintain a minimum flow in the stream for the preservation of fish and other aquatic life.
