

# Province of British Columbia

## *Water Act*

### CONDITIONAL WATER LICENCE

The owners of the land to which this licence is appurtenant are hereby authorized to divert and use water as follows:

- a) The stream on which the rights are granted is Skookumchuck Creek.
- b) The points of diversion and re-diversion are located as shown on the attached plan.
- c) The date from which this licence shall have precedence is 11 January 1980.
- d) The purpose for which this licence is issued is irrigation.
- e) The maximum quantity of water which may be diverted for irrigation purpose is 60,400 cubic metres (49 acre-feet) per year and the maximum rate at which water is diverted from Tunkwa Creek at any time shall not exceed the flow at reference point PD187387 on Skookumchuck Creek.
- f) The period of the year during which the water may be used is 01 April to 15 June.
- g) The land upon which the water is to be used and to which this licence is appurtenant is South ½ of Section 25, Township 19, Range 21, West of the 6th Meridian, Kamloops Division of the Yale District of which 20.23 hectares (50 acres) may be irrigated.
- h) The authorized works are ditch, pipe, sprinklers, flow-measuring device(s) and diversion structure, which shall be located approximately as shown on the attached plan.
- i) The construction of the said works (except flow measuring devices), has been completed and the water is being used. The licensee shall continue to make regular beneficial use of the water in a manner authorized herein. The installation of flow measuring devices, or establishment of approved flow-measurement calculations shall be completed by 31 December 2016.
- j) This licensee shall keep records on actual water use as directed by an Engineer under the Water Act and have all records available.
- k) The licensee shall install a flow measuring device to the satisfaction of an Engineer under the Water Act.

- l) This licence is issued under the Water Act (the Act). The exercise of rights under the licence is subject to the Act and its regulations, the terms and conditions of the licence, orders under the Act and the rights of licensees whose rights have precedence on the stream. The licensee must comply with all such requirements, as well as the provisions of all other applicable enactments. In exercising rights under the licence, the licensee must exercise reasonable care to avoid damaging land, works, trees or other property, and must make full compensation to the owners for damage or loss resulting from construction, maintenance, use, operation or failure of the works.
  
- m) This licence is issued in substitution of Conditional Water Licence 65078, under Section 18 of the Water Act.
