### CONDITIONAL WATER LICENCE

The owners of the land to which this licence is appurtenant are hereby authorized to divert, store and use water as follows:

- a) The stream on which the rights are granted is Hemer Creek and storage is in a dugout reservoir off-stream.
- b) The point of diversion is located as shown on the attached plan.
- c) The date from which this licence shall have precedence is November 6, 2014.
- d) The purposes for which this licence is issued are storage and irrigation.
- e) The maximum quantity of water which may be diverted into storage is 15,200 cubic metres per year and the maximum quantity of stored water which may be used for irrigation purpose is 15,200 cubic metres per year.
- f) The period of the year during which water may be diverted and held in storage is October 1 to March 30 and the period of the year in which the stored water may be used for irrigation purpose is April 1 to September 30.
- g) The land upon which the water is to be used and to which this licence is appurtenant is Lot 1, Sections 12, and 13, Range 1, Cedar District, Plan 23683, except part in Plan 33422, of which 5.04 hectares may be irrigated.
- h) The authorized works are diversion structure, pipe, dugout, berm, pumphouse and sprinklers which shall be located approximately as shown on the attached plan.
- i) The construction of the said works shall be completed and the water shall be beneficially used prior to December 31, 2018. Thereafter, the licensee shall continue to make regular beneficial use of the water in the manner authorized herein.
- j) The authorized works in this licence include a berm and it is a requirement of this licence that the berm be constructed to an elevation to separate and isolate the dugout reservoir from Hemer Creek during high flows.
