

Province of British Columbia

Water Act

CONDITIONAL WATER LICENCE

The owners of the land to which this licence is appurtenant are hereby authorized to divert, use, and store water as follows:

- a) The stream on which the rights are granted is Cloudberry Creek and storage is in a dugout.
- b) The point of diversion is located as shown on the attached plan.
- c) The date from which this licence shall have precedence is October 6, 2014.
- d) The purposes for which this licence is issued are storage and industrial enterprise (camp).
- e) The maximum quantity of water which may be held in storage is 550 cubic metres per year and the maximum quantity which may be used for industrial enterprise (camp) purpose is 4.56 cubic metres per day, subject to the water being available from storage.
- f) The period of the year during which water may be diverted into storage is from October 1 to May 31, water may be held in storage the whole year. Stored water may be used for industrial enterprise (camp) purpose the whole year.
- g) The land upon which the water is to be used and to which this licence is appurtenant is District Lot 1489, Range 1, Coast District.
- h) The authorized works are dugout, pipe, and pump house, which shall be located approximately as shown on the attached plan.
- i) The construction of the said works shall be completed and the water shall be beneficially used prior to December 31, 2018. Thereafter, the licensee shall continue to make regular beneficial use of the water in the manner authorized herein.
