

# Province of British Columbia

## *Water Act*

### CONDITIONAL WATER LICENCE

The owners of the land to which this licence is appurtenant are hereby authorized to divert, store, and use water as follows:

- a) The stream on which the rights are granted is Mollet Creek and storage is in an off stream dugout.
- b) The point of diversion is located as shown on the attached plan.
- c) The date from which this licence shall have precedence is March 12, 2015.
- d) The purposes for which this licence is issued are storage (non-power) and industrial (residential lawn and garden watering).
- e) The maximum quantity of water which may be diverted and held in storage is 1150 cubic metres per year and the maximum quantity of water which may be used for industrial (residential lawn and garden watering) is 1000 cubic metres per year.
- f) The period of the year during which the water may be diverted into storage is October 1 to March 31, and the period of the year which the stored water may be used for industrial (residential lawn and garden watering) purpose is April 1 to September 30.
- g) The land upon which the water is to be used and to which this licence is appurtenant is Lot 25, Loop Farms, Alberni District, Plan 1297.
- h) The authorized works are diversion structure, pipe, pump, dugout and berm which shall be located approximately as shown on the attached plan.
- i) The construction of the said works shall be completed and the water shall be beneficially used prior to December 31, 2018. Thereafter, the licensee shall continue to make regular beneficial use of the water in the manner authorized herein.
- j) This conditional water licence is issued subject to the Order in Council water reservation 842/1922 and 161/2015 on the Somass River.
