

Province of British Columbia

Water Act

CONDITIONAL WATER LICENCE

The owners of the land to which this licence is appurtenant are hereby authorized to divert, use and store water as follows:

- a) The stream on which the rights are granted is Morningstar Creek and storage is in two dugouts.
- b) The point of diversion and storage sites are located as shown on the attached plan.
- c) The date from which this licence shall have precedence is March 29, 1990.
- d) The purposes for which this licence is issued are storage and industrial (golf course watering).
- e) The maximum quantity of water which may be held in storage is 80,176 cubic metres per year and the maximum quantity of stored water which may be diverted for industrial (golf course watering) purpose is 80,176 cubic metres per year, subject to the water being available from storage.
- f) The period of the year during which the water may be held in storage is the whole year with diversion into storage from February 1 to March 31, at a rate not to exceed 1.0 cubic feet per second, and the period during which the stored water may be used for industrial (golf course watering) purpose is the whole year, subject to the water being available from storage.
- g) The land upon which the water is to be used and to which this licence is appurtenant is Lot A, District Lots 29, 81, 83 and 126, Nanoose District, Plan 49145, except parts in Plans VIP51714, VIP52613, VIP76030 and VIP76051.
- h) The authorized works are two dugouts, screened intake, sprinklers, pipe and pump which shall be located approximately as shown on the attached plan.
- i) The construction of the said works has been completed and the water is being used. The licensee shall continue to make regular beneficial use of the water in a manner authorized herein.
- j) This licence is issued in substitution of Conditional Water Licence C100891.
