Water Act

CONDITIONAL WATER LICENCE

The owners of the land to which this licence is appurtenant are hereby authorized to divert and store water as follows:

- a) The stream on which the rights are granted is Desmond Brook.
- b) The point of diversion is located as shown on the attached plan.
- c) The date from which this licence shall have precedence is February 23, 2012.
- d) The purpose for which this licence is issued is land improvement and storage.
- e) The maximum quantity of water which may be diverted for land improvement is the total flow and the maximum quantity which may be used for storage is 3,700 m³ per year.
- f) The period of the year during which water may be diverted and stored is the whole year.
- g) The land upon which the water is appurtenant is the land improvement project of the licensee within the Northwest 1/4 of Section 6, Township 20, Range 13, West of the 6th Meridian, Kamloops Division Yale District.
- h) The authorized works are diversion structure, ditch, and pond which shall be located approximately as shown on the attached plan.
- i) The construction of the said works shall be completed and the water shall be beneficially used prior to December 31, 2018. Thereafter, the licensee shall continue to make regular beneficial use of the water in the manner authorized herein.
- j) This licence is issued under the *Water Act* (the *Act*). The exercise of rights under the licence is subject to the *Act* and its regulations, the terms and conditions of the licence, orders under the *Act* and the rights of licensees whose rights have precedence on the stream. The licensee must comply with all such requirements, as well as the provisions of all other applicable enactments. In exercising rights under the licence, the licensee must exercise reasonable care to avoid damaging land, works, trees or other property, and must make full compensation to the owners for damage or loss resulting from construction, maintenance, use, operation or failure of the works.
