- a) The stream on which the rights are granted is Beaver Creek.
- b) The point of diversion is located as shown on the attached plan.
- c) The date from which this licence shall have precedence is March 30, 2015.
- d) The purpose for which this licence is issued is mining (Placer).
- e) The maximum quantity of water which may be diverted for placer mining is 290,304 cubic metres per year at a maximum withdrawal rate of 0.0600 cubic metres per second.
- f) The period of the year during which the water may be used is May 1 to October 15.
- g) The land upon which the water is to be used and to which this licence is appurtenant is Placer Claim No. 512342.
- h) The authorized works are diversion structure with screened intake, pump and pipe which shall be located within Placer Claim No.512342, Cariboo Mining District.
- i) The construction of the said works shall be completed and the water shall be beneficially used prior to December 31, 2018. Thereafter, the licensee shall continue to make regular beneficial use of the water in the manner authorized herein.
- j) This licence is issued under the Water Act (the Act). The exercise of rights under the licence is subject to the Act and its regulations, the terms and conditions of the licence, orders under the Act and the rights of licensees whose rights have precedence on the stream. The licensee must comply with all such requirements, as well as the provisions of all other applicable enactments. In exercising rights under the licence, the licensee must exercise reasonable care to avoid damaging land, works, trees or other property, and must make full compensation to the owners for damage or loss resulting from construction, maintenance, use, operation or failure of the works.

Z) This licence is valid only as long as the Placer Claim No. 512342 is in good standing.
