

Province of British Columbia

Water Act

CONDITIONAL WATER LICENCE

The owner of the land to which this licence is appurtenant is hereby authorized to divert and use water as follows:

- a) The stream on which the rights are granted is McIvor Lake.
- b) The point of diversion is located as shown on the attached plan.
- c) The date from which this licence shall have precedence is February 25, 2015.
- d) The purposes for which this licence is issued are domestic, industrial (swimming pool) and industrial (heat exchanger - residential).
- e) The maximum quantity of water which may be diverted for domestic purpose is 2.0 cubic metres per day, the maximum quantity of water which may be diverted for industrial (swimming pool) purpose is 0.2 cubic metres per day and the maximum quantity of water which may be diverted for industrial (heat exchanger - residential) purpose is 15.0 cubic metres per day.
- f) The period of the year during which the water may be used for domestic, industrial (swimming pool) and industrial (heat exchanger - residential) purpose is the whole year.
- g) The land upon which the water is to be used and to which this licence is appurtenant is Strata Lot 1, District Lots 85 and 86, Sayward District, Strata Plan EPS58.
- h) The authorized works are intake, pump, pipe and heat exchanger which shall be located approximately as shown on the attached plan.
- i) The construction of the said works shall be completed and the water shall be beneficially used prior to December 31, 2018. Thereafter, the licensee shall continue to make regular beneficial use of the water in the manner authorized herein.
- j) This licence authorizes the use of water for domestic purpose in one dwelling located approximately as shown on the attached plan, and in any dwelling built to replace the same, but not in any other dwelling.
- k) The Order in Council No. 635 (2014) authorizes this water licence to be issued for other purposes subject to the water reservation for power purpose in Order in Council 1440/40 (1940).
