

Province of British Columbia

Water Act

CONDITIONAL WATER LICENCE

The owners of the land to which this licence is appurtenant are hereby authorized to divert, store and use water as follows:

- a) The stream on which the rights are granted is Mollet Creek and storage is in a reservoir.
- b) The point of diversion is located as shown on the attached plan.
- c) The date from which this licence shall have precedence is May 20, 2015.
- d) The purposes for which this licence is issued are storage and industrial (residential lawn and garden watering).
- e) The maximum quantity of water which may be diverted and held in storage is 3200 cubic metres per year, and the maximum quantity of stored water which may be used for industrial (residential lawn and garden watering) is 1233 cubic metres per year.
- f) The period of the year during which the water may be held in storage is the whole year, with diversion into storage from October 1 to March 31, and the period during which the stored water may be used for industrial (residential lawn and garden watering) is April 1 to September 30, subject to the water being available from storage.
- g) The land upon which the water is to be used and to which this licence is appurtenant is Lot 16, Loop Farms, Alberni District, Plan 1297.
- h) The authorized works are dam, berm, reservoir, intake and pipe which shall be located approximately as shown on the attached plan.
- i) The construction of the said works has been completed and the water is being used. The licensee shall continue to make regular beneficial use of the water in a manner authorized herein.
- j) This water licence is issued subject to the Order in Council water reservation No. 842/22 placed on the Somass River and its tributaries.
