CONDITIONAL WATER LICENCE

The owners of the land to which this licence is appurtenant are hereby authorized to divert and store water as follows:

- a) The stream on which the rights are granted is Washington Spring, and storage is in a dugout.
- b) The point of diversion is located as shown on the attached plan.
- c) The date from which this licence shall have precedence is June 27, 2007.
- d) The purpose for which this licence is issued is storage (non-power).
- e) The maximum quantity of water which may be diverted and held in storage is 3700 cubic metres per year.
- f) The period of the year during which the water may be diverted and held in storage is the whole year, and the period during which the stored water may be used to support Conditional Water Licence C054745 is the whole year.
- g) The land upon which the water is to be used and to which this licence is appurtenant is the undertaking of the licensee as set out in the Certificate of Public Convenience and Necessity No. 1291/2007 and any document to replace it.
- h) The authorized works are dam, dugout, pumphouse and pipe which shall be located approximately as shown on the attached plan.
- i) The construction of the said works has been completed and the water is being used. The licensee shall continue to make regular beneficial use of the water in a manner authorized herein.
- j) The dam authorized under clause (h) is subject to the Dam Safety Regulations and shall be designed, constructed and maintained to the satisfaction of a Dam Safety Officer under the *Water Act* and in accordance with the Canadian Dam Association Guidelines.
- k) This licence is issued in substitution of Conditional Water Licence C122995 in part.
