

Province of British Columbia

Water Act

CONDITIONAL WATER LICENCE

The owner(s) of the land to which this licence is appurtenant is/are hereby authorized to divert and use water as follows:

- a) The stream on which the rights are granted is Kemess Lake.
- b) The point of diversion is located as shown on the attached plan.
- c) The date from which this licence shall have precedence is November 27, 1995.
- d) The purpose for which this licence is issued is Industrial (Camp).
- e) The maximum quantity of water which may be diverted for industrial purposes is 22.730 cubic meters per day (5,000 gal/ day).
- f) The period of the year during which the water may be used is the whole year.
- g) The land upon which the water is to be used and to which this licence is appurtenant is Minerals Claim 524240, Omineca Mining District.
- h) The authorized works are diversion structure, pump, pipe, and screened intake which shall be located approximately as shown on the attached plan.
- i) The construction of the said works has been completed and the water is being used. The licensee shall continue to make regular beneficial use of the water in a manner authorized herein.
- j) This Licence is issued in substitution of Conditional Water Licence No. C110454.

- k) This licence is issued under the *Water Act* (the Act). The exercise of rights under the licence is subject to the Act and its regulations, the terms and conditions of the licence, orders under the Act and the rights of licensees whose rights have precedence on the stream. The licensee must comply with all such requirements, as well as the provisions of all other applicable enactments. In exercising rights under the licence, the licensee must exercise reasonable care to avoid damaging land, works, trees or other property, and must make full compensation to the owners for damage or loss resulting from construction, maintenance, use, operation or failure of the works.
