CONDITIONAL WATER LICENCE

The owners of the land to which this licence is appurtenant are hereby authorized to divert, store and use water as follows:

- a) The stream on which the rights are granted is Spectacle Creek and storage is in a dugout.
- b) The point of diversion is located as shown on the attached plan.
- c) The date from which this licence shall have precedence is March 2, 2015.
- d) The purposes for which this licence is issued are storage (non-power) and irrigation.
- e) The maximum quantity of water which may be held in storage is 25,000 cubic metres per year and the maximum quantity of stored water which may be diverted for irrigation purpose is 25,000 cubic metres per year, subject to the water being available from storage.
- f) The period of the year during which water may be held in storage is the whole year, with diversion into storage from November 1 to April 30, and the period of the year during which the stored water may be used for irrigation purpose is May 1 to October 31.
- g) The land upon which the water is to be used and to which this licence is appurtenant is Lot A, District Lot 130, Malahat District, Plan VIP52013, except part in Plan VIP60812 of which 8.1 hectares may be irrigated.
- h) The authorized works are diversion structure, pipe, dugout, pump and sprinklers which shall be located approximately as shown on the attached plan.
- i) The construction of the said works shall be completed and the water shall be beneficially used prior to December 31, 2018. Thereafter, the licensee shall continue to make regular beneficial use of the water in the manner authorized herein.
- j) This water licence is issued subject to the water reserve in Order in Council No. 606/2014 and any OIC reservation meant to replace it if the original expires.
