Water Act

CONDITIONAL WATER LICENCE

The owners of the land to which this licence is appurtenant are hereby authorized to divert and use water as follows:

- a) The stream on which the rights are granted is the Salmon River.
- b) The point of diversion is located as shown on the attached plan.
- c) The date from which this licence shall have precedence is the 3rd December, 1971.
- d) The purpose for which this licence is issued is irrigation.
- e) The maximum quantity of water which may be diverted for irrigation is 12,728 cubic metres per year.
- f) The period of the year during which the water may be used is 1st April to 30th September.
- g) The land upon which the water is to be used and to which this licence is appurtenant is Lot 1 Section 21 Township 17 Range 11 West of the 6th Meridian Kamloops Division Yale District Plan KAP91950 of which 2.090 hectares may be irrigated.
- h) The authorized works are a pump, pump-house, pipe, sprinkler system, and water meter which shall be located approximately as shown on the attached plan.
- i) The construction of the said works shall be completed and the water shall be beneficially used prior to the 31st December, 2018. Thereafter, the licensee shall continue to make regular beneficial use of the water in the manner authorized herein.
- j) This Licence is issued in substitution of C053158.
- k) The diversion of water authorized under this licence may be restricted or prohibited at any time by an Order in writing of an Engineer under the Water Act, in order to maintain a minimum flow in the stream.
- l) The licensee shall install a flow meter or other measuring device to the satisfaction of an Engineer under the Water Act.
- m) The licensee shall retain flow meter/measurement records for inspection upon request by an Engineer under the Water Act.

- n) This licence is issued under the Water Act (the Act). The exercise of rights under the licence is subject to the Act and its regulations, the terms and conditions of the licence, orders under the Act and the rights of licensees whose rights have precedence on the stream. The licensee must comply with all such requirements, as well as the provisions of all other applicable enactments. In exercising rights under the licence, the licensee must exercise reasonable care to avoid damaging land, works, trees or other property, and must make full compensation to the owners for damage or loss resulting from construction, maintenance, use, operation or failure of the works.
