Water Act

CONDITIONAL WATER LICENCE

The owner of the land to which this licence is appurtenant is hereby authorized to divert and use water as follows:

- a) The stream on which the rights are granted is the South Thompson River.
- b) The point of diversion is located as shown on the attached plan.
- c) The date from which this licence shall have precedence is July 29, 2014.
- d) The purposes for which this licence is issued are domestic use and industrial stockwatering use.
- e) The maximum quantity of water which may be diverted for domestic use is 4.54 m³ per day and the maximum quantity which may be used for industrial stockwatering use is 10 m³ per day.
- f) The period of the year during which the water may be used for domestic is the whole year, and for industrial stockwatering is the whole year.
- g) The land upon which the water is to be used and to which this licence is appurtenant is Lot 2, District Lot 288, and Section 25, Township 19, Range 15 and Section 30, Township 19, Range 14, West of the 6th Meridian, all of Kamloops Division Yale District, Plan KAP80215.
- h) The authorized works are screened intake, pump, pipe, tank, and trough which shall be located approximately as shown on the attached plan.
- i) The construction of the said works has been completed and the water is being used. The licensee shall continue to make regular beneficial use of the water in a manner authorized herein.
- j) This licence is issued under the *Water Act* (the *Act*). The exercise of rights under the licence is subject to the *Act* and its regulations, the terms and conditions of the licence, orders under the *Act* and the rights of licensees whose rights have precedence on the stream. The licensee must comply with all such requirements, as well as the provisions of all other applicable enactments. In exercising rights under the licence, the licensee must exercise

reasonable care to avoid damaging land, works, trees or other property, and must make full compensation to the owners for damage or loss resulting from construction, maintenance, use, operation or failure of the works.

- k) This licence authorizes the use of water for domestic purpose in two dwellings located approximately as shown on the attached plan.
- l) The industrial stockwatering purpose authorized by this licence is for use outside the wetted perimeter of the source in a trough located approximately as shown on the attached plan.
