CONDITIONAL WATER LICENCE

The owners of the land to which this licence is appurtenant are hereby authorized to divert and use water as follows:

- a) The stream on which the rights are granted is Mallam Springs.
- b) The point of diversion is located as shown on the attached plan.
- c) The date from which this licence shall have precedence is 5th May, 2015.
- d) The purpose for which this licence is issued is bottle sales.
- e) The maximum quantity of water which may be diverted is 7 cubic metres per day.
- f) The period of the year during which the water may be used is the whole year.
- g) The land upon which the water is to be used and to which this licence is appurtenant is Lot 1 Sections 24 and 25, Township 28, Similkameen Division Yale District Plan KAP78562.
- h) The authorized works are cistern and pipe which shall be located approximately as shown on the attached plan.
- i) The construction of the said works shall be completed and the water shall be beneficially used prior to 31st December, 2019. Thereafter, the licensee shall continue to make regular beneficial use of the water in the manner authorized herein.
- j) This licence authorizes the use of water for bottle sales purpose in one facility located approximately as shown on the attached plan.
- k) The licensee shall install a flow metering or other measuring device to the satisfaction of an Engineer under the Water Sustainability Act.
- l) The licensee shall retain flow meter/measurement records for inspection upon request by an Engineer under the Water Sustainability Act.

- m) This licence is issued under the Water Sustainability Act (the Act). The exercise of rights under the licence is subject to the Act and its regulations, the terms and conditions of the licence, orders under the Act and the rights of licensees whose rights have precedence on the stream or on an aquifer. The licensee must comply with all such requirements, as well as the provisions of all other applicable enactments. In exercising rights under the licence, the licensee must exercise reasonable care to avoid damaging land, works, trees or other property, and must make full compensation to the owners for damage or loss resulting from construction, maintenance, use, operation or failure of the works.
