

Province of British Columbia

Water Sustainability Act

CONDITIONAL WATER LICENCE

The owner(s) of the land to which this licence is appurtenant is/are hereby authorized to divert and use water as follows:

- a) The stream on which the rights are granted is Gulliford Creek
- b) The point of diversion is located as shown on the attached plan.
- c) The date from which this licence shall have precedence is April 5, 1893.
- d) The purpose for which this licence is issued is irrigation: private irrigation.
- e) The maximum quantity of water which may be diverted for irrigation: private irrigation is 37,004.40000 cubic meters per year.
- f) The period of the year during which the water may be used is April 1 to September 30.
- g) The land upon which the water is to be used and to which this licence is appurtenant is Lot 1 District Lot 70 Kamloops (Formerly Yale) Division Yale District and District Lots 1753 and 1755 Kamloops Division Yale District Plan KAP57665 of which 4.856 hectares may be irrigated.
- h) The authorized works are diversion structure, flow measuring device, pump, pipe, screened intake, sprinklers, and ditch which shall be located approximately as shown on the attached plan.
- i) The construction of the said works shall be completed and the water shall be beneficially used prior to December 31, 2017. Thereafter, the licensee shall continue to make regular beneficial use of the water in the manner authorized herein.
- j) This licence is issued under the *Water Sustainability Act* (the Act). The exercise of rights under the licence is subject to the Act and its regulations, the terms and conditions of the licence, orders under the Act and the rights of licensees whose rights have precedence on the stream. The licensee must comply with all such requirements, as well as the provisions of all other applicable enactments. In exercising rights under the licence, the licensee must exercise reasonable care to avoid damaging land, works, trees or other property, and must make full compensation to the owners for damage or loss resulting from construction, maintenance, use, operation or failure of the works.

- k) Any water diverted and used pursuant to this licence during the period from April 1 to September 30, must be taken from storage provided in the reservoir authorized under Final Water Licence F060811 or any licence issued in substitution thereof.
- l) The licensee shall install a flow measuring device to the satisfaction of an Engineer under the *Water Sustainability Act*.
- m) The licensee shall retain flow meter records for inspection upon request by an Engineer under the *Water Sustainability Act*.
- n) This Licence is issued in substitution of Final Water Licence F060810.
