

Province of British Columbia

Water Act

CONDITIONAL WATER LICENCE

The owner(s) of the land to which this licence is appurtenant is/are hereby authorized to divert and use water as follows:

- a) The stream on which the rights are granted is Childs Creek.
- b) The point of diversion is located as shown on the attached plan.
- c) The date from which this licence shall have precedence is September 29, 2008.
- d) The purposes for which this licence is issued are domestic and stockwatering.
- e) The maximum quantity of water which may be diverted for domestic purpose is 2.0 cubic metres per day and the maximum quantity which may be used for stockwatering purpose is 2.0 cubic metres per day.
- f) The period of the year during which the water may be used is the whole year.
- g) The land upon which the water is to be used and to which this licence is appurtenant is that part of District Lot 7231 lying West of District Lot 2083 and Block A District Lot 7231, except plan 32833, all in Cariboo District.
- h) The authorized works are screened intake, diversion structure, pipe and troughs which shall be located approximately as shown on the attached plan.
- i) The construction of the said works has been completed and the water is being used. The licensee shall continue to make regular beneficial use of the water in a manner authorized herein.
- j) This licence authorizes the use of water for domestic purpose in one dwelling located approximately as shown on the attached plan.
- k) This Licence is issued in substitution of Conditional Water Licence Number C124571.
- l) The stockwatering purpose authorized by this licence is for use outside the wetted perimeter of the source in a trough located approximately as shown on the attached plan.

- m) This licence is issued under the *Water Act* (the Act). The exercise of rights under the licence is subject to the Act and its regulations, the terms and conditions of the licence, orders under the Act and the rights of licensees whose rights have precedence on the stream. The licensee must comply with all such requirements, as well as the provisions of all other applicable enactments. In exercising rights under the licence, the licensee must exercise reasonable care to avoid damaging land, works, trees or other property, and must make full compensation to the owners for damage or loss resulting from construction, maintenance, use, operation or failure of the works.
